

PISTOL VIPER BORESNAKE WITH DEN - HOPPE'S 30-32 CALIBER BORESNAKE WITH DEN

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Snakes](#)

All-In-One, Pull-Through Cleaning System

The Pistol Viper Bore Snake is a braided nylon, pull-through cleaning cord that scrubs, cleans, and lubricates in a single step. The Pistol Viper is just like the original Bore Snake, with 50% more scrubbing surface for those extra-tough cleaning jobs. Calibers: .22, .30, .32, 9mm, .357, .380, .38, .40, .41, .44, .45. Simply apply bore cleaner to the front of the cord, oil to the end, drop the weighted end down the bore, and pull through. The cone-shaped, nylon bore guide on the lead end protects your gun's rifling. Extra, built-in bronze brushes and braided cord clean and oil the bore in a few passes. Washable and reusable with "den" case for storage.

Pistol Viper Bore Snake Safety Instruction Guide

Introduction

Thank you for choosing the Pistol Viper Bore Snake with Den Hoppes 3032 Caliber Bore Snake. This product is designed to provide an efficient and effective way to clean your firearm. To ensure your safety and the safety of others, please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the product is used only as intended, for cleaning firearms.
- Always treat firearms as if they are loaded.
- Keep the Bore Snake out of reach of children and vulnerable individuals.
- Be aware of your surroundings when cleaning your firearm to avoid accidents.
- Regularly inspect the Bore Snake for any signs of wear or damage before use.
- If any part of the Bore Snake is damaged, discontinue use immediately.
- Follow all local laws and regulations regarding firearm maintenance and cleaning.

Specific Safety Precautions for Use

- Always ensure that your firearm is unloaded before using the Bore Snake.
- Use the Bore Snake only with compatible calibers: .22, .30, .32, 9mm, .357, .380, .38, .40, .41, .44, .45.
- Do not use the Bore Snake if you are under the influence of drugs or alcohol.
- Avoid using excessive force when pulling the Bore Snake through the bore.
- Do not use the Bore Snake in a manner that could cause injury to yourself or others.
- Store the Bore Snake in a safe place, preferably in the provided "den" case, when not in use.

Instructions for Installation and Usage

1. **Preparation:** Ensure your firearm is unloaded and pointed in a safe direction.
2. **Apply Cleaner:** Apply bore cleaner to the front of the Bore Snake cord.
3. **Oil Application:** Add oil to the weighted end of the Bore Snake.
4. **Insertion:** Drop the weighted end of the Bore Snake down the bore of the firearm.
5. **Pull Through:** Gently pull the Bore Snake through the bore to clean and lubricate.
6. **Repeat:** For best results, repeat the process as necessary until the bore is clean.
7. **Inspection:** After use, inspect the Bore Snake for any debris or damage.
8. **Cleaning:** The Bore Snake is washable and reusable. Follow care instructions to maintain its effectiveness.

Disposal Instructions

- Dispose of the Bore Snake responsibly if it becomes damaged or unusable.
- Check local regulations for proper disposal methods of cleaning materials and textiles.
- Do not litter; always use designated waste disposal facilities.

Contact Information for Further Support

For any inquiries regarding safety or product performance, please reach out to the manufacturer or your retailer for assistance. Always ensure that you have the product information ready for a more efficient support experience.

Thank you for prioritizing safety while using the Pistol Viper Bore Snake. Enjoy a clean and wellmaintained firearm!
