

# RIFLE VIPER BORESNAKE WITH DEN - HOPPES 50-54 CALIBER BORESNAKE WITH DEN

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Snakes](#)

## Simple Pull-Through Cleaning

The Rifle Viper Bore Snake is a braided nylon, pull-through cleaning cord that scrubs, cleans, and lubricates in a single step. The Rifle Viper is just like the original Bore Snake, with 50% more scrubbing surface for those extra-tough cleaning jobs. Calibers: 5.56mm, .22, .223, 6mm, .240, .243, .244, 7mm, .270, .284, .30, .308, .338, .340, .35, .350, .358, .375, .416, .44, .45-70, .458, .460, .50, .54 Simply apply bore cleaner to the front of the cord, oil to the end, drop the weighted end down the bore, and pull through. The cone-shaped, nylon bore guide on the lead end protects your gun's rifling. Extra, built-in bronze brushes and braided cord clean and oil the bore in a few passes. Washable and reusable with "den" case for storage.

## Attributes

# Safety Instruction Guide for Rifle Viper Bore Snake with Den Hoppes 5054 Caliber Bore Snake

## Introduction

Thank you for choosing the Rifle Viper Bore Snake with Den Hoppes. This product is designed to provide an efficient and effective cleaning solution for your firearms. To ensure your safety and the longevity of your product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Keep this product out of reach of children and vulnerable individuals.
- Regularly inspect the bore snake for wear and tear before each use.
- Do not use the bore snake if it shows signs of damage.
- Always handle firearms with care and follow the basic rules of firearm safety.
- Store the bore snake in a safe and dry place to prevent damage.
- If you experience any issues or concerns regarding the product, discontinue use and seek assistance.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before using the bore snake.
- Apply bore cleaner only as directed and avoid excessive application.
- Use the bore snake in a well-ventilated area to avoid inhalation of cleaning chemicals.
- Do not pull the bore snake through the barrel too forcefully; allow it to move smoothly.
- Avoid using the bore snake on firearms that are not compatible with the specified calibers.
- Be cautious of any potential splashes from cleaning solvents when applying to the bore snake.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your firearm is completely unloaded.
- Gather necessary cleaning supplies including bore cleaner and oil.

### 2. Applying Cleaner:

- Apply a small amount of bore cleaner to the front of the bore snake.

### 3. Inserting the Bore Snake:

- Insert the weighted end of the bore snake into the barrel of the firearm.

### 4. Pulling Through:

- Gently pull the bore snake through the barrel. Do not force it.
- Repeat this process as necessary to achieve desired cleanliness.

### 5. Applying Oil:

- After cleaning, apply a small amount of oil to the end of the bore snake and pull it through the barrel again.

### 6. Storage:

- After use, clean the bore snake if necessary and store it in the provided "den" case.

## **Disposal Instructions**

- Dispose of used cleaning solvents and materials in accordance with local regulations.
- The bore snake is washable and reusable; do not dispose of it unless it is damaged beyond use.

## **Contact Information for Further Support**

For any questions or concerns regarding the Rifle Viper Bore Snake, please refer to the manufacturer's contact information provided with your product packaging. Always ensure you are following the latest safety guidelines and product instructions.

Thank you for your attention to these safety instructions. Enjoy the effective cleaning of your firearms with the Rifle Viper Bore Snake!
