

# 300 SERIES LIGHT BODY - ARISAKA DEFENSE 300 SERIES LIGHT BODY BLACK

[Shooting Accessories](#) > [Flashlights & Accessories](#) > [Flashlight Mounts](#)

## A Replacement Body for Surefire M300 That Provides More Front Sight Clearance

risaka's 300 Series Light Body is intended as a replacement for the Surefire M300 series of lights to give the end user more clearance for accessories or back up iron sights. The 300 Series body has been designed without the mounting interface for a Picatinny clamp and will interface directly with one of Arisaka's Inline Scout Mounts. The 300 Series Light Body is compatible with both E1 series and M300 series tail caps as well as heads similar to the E1T, KM1A, KX1A, and KM1C. IR heads are fully supported by the Arisaka 300 Series Light Body. The light body will accommodate one 123A battery. DOES NOT INCLUDE HEAD, MOUNT, OR TAILCAP Color: Black Uses E1T, KM1A, KM1C or KX1A style heads. Compatible with E1 series and M300 series tailcaps 6061 T-6 Aluminum construction Weight: 0.5 oz The 300 Series Light Body from Arisaka is CNC machined from 6061-T6 aluminum and is finished with MIL-A-8625 Type III hard coat anodization. The interior of the light body is treated with a MIL-DTL-5541 Type II Class 3 chem film for maximum conductivity and protection from oxidation.

# Safety Instruction Guide for Arisaka Defense 300 Series Light Body

## Introduction

Thank you for choosing the Arisaka Defense 300 Series Light Body. This product is designed to enhance your lighting solutions while providing a safe and reliable experience. Please read this safety instruction guide carefully to ensure proper use and maintenance of your product.

## General Safety Guidelines

To ensure the safe use of the 300 Series Light Body, please adhere to the following guidelines:

- Always handle the product with care to avoid damage.
- Keep the product out of reach of children and pets.
- Inspect the product regularly for any signs of wear or damage.
- Do not modify or alter the product in any way.
- Use only compatible components as specified in the product description.
- Follow all local laws and regulations regarding the use of lighting products.

## Specific Safety Precautions for Use

When using the 300 Series Light Body, please observe the following safety precautions:

- Ensure that the light body is securely mounted before use.
- Do not look directly into the light beam to avoid eye injury.
- Avoid exposing the product to extreme temperatures or moisture.
- Do not use the product in hazardous environments unless specified.
- Be cautious when handling batteries; dispose of them properly and do not expose them to heat or flame.

## Instructions for Installation and Usage

Follow these steps to install and use your Arisaka Defense 300 Series Light Body safely:

### 1. Installation:

- Ensure you have the appropriate tools for installation.
- Remove the light body from its packaging and check for any damage.
- Select a suitable mounting location on your firearm or accessory.
- Align the light body with the mounting interface and secure it using the appropriate mounting hardware.
- Ensure the light body is firmly attached and does not wobble.

### 2. Battery Installation:

- Open the battery compartment of the light body.
- Insert one 123A battery, ensuring the positive (+) and negative (-) terminals are aligned correctly.
- Close the battery compartment securely.

### 3. Usage:

- To turn the light on, press the tail cap switch or remote switch if applicable.
- Adjust the light beam as needed based on your requirements.
- Turn off the light when not in use to preserve battery life.

## Disposal Instructions

Proper disposal of the 300 Series Light Body and its components is essential for environmental safety. Please follow these guidelines:

- Dispose of the light body in accordance with local regulations for electronic waste.
- Remove and recycle the battery at a designated battery recycling facility.
- Do not dispose of batteries in household waste.

## Contact Information for Further Support

For any questions or concerns regarding the Arisaka Defense 300 Series Light Body, please reach out to the designated EU contact point for safety inquiries.

## Conclusion

By following these safety instructions, you can enjoy the benefits of your Arisaka Defense 300 Series Light Body while ensuring a safe experience. Always prioritize safety and compliance with local regulations when using this product. Thank you for your attention to these important guidelines.
