

SUPERIOR THICK PLATED 9MM (0.356") BULLETS - BERRYS MANUFACTURING 9MM (0.356") 115GR HOLLOW BASE RN 250/BOX

[Reloading](#) > [Bullets](#) > [Pistol Bullets](#)

Berry's Superior Plated Bullets are swaged and plated to final weight and re-struck for accuracy and precision. They are more affordable than jacketed rounds and won't foul your barrel with lead. Berry's Superior Plated hollow base thick plate bullets are designed for shooters who need increased accuracy and higher velocities. The hollow base allows the bullet profile to be longer and provides more contact area with the barrel and rifling to stabilize the bullet and improve accuracy. The thick plate allows the bullet to handle up to 1500fps. The bullet profile is longer but the weight remains the same and you can load these bullets using any published load data for a jacketed bullet as long as it is the same weight bullet. SAAMI MAX COL = 1.169"

Can withstand velocities up to 1500 fps.

Attributes

- Name: [BERRYS MANUFACTURING 9MM \(0.356" \) 115GR HOLLOW BASE RN 250/BOX](#)
- Manufacturer: [BERRYS MANUFACTURING](#)
- Product no.: 100029124
- Mfr. No.: 00231
- Bullet Style: Hollow Based Round Nose (HBRN)
- Caliber: 9mm
- Diameter (in): 0.356
- Grain: 115
- Quantity: 250
- Delivery weight: 1.974kg
- Shipping height: 70mm
- Shipping width: 84mm
- Shipping length: 143mm
- UPC: 711148002312

Safety Instruction Guide for SUPERIOR THICK PLATED 9MM BULLETS

Introduction

Thank you for choosing Berry's Superior Thick Plated 9MM Bullets. This guide provides essential safety instructions to ensure the safe use of this product. Please read the information carefully before using the bullets, and keep this guide for future reference.

General Safety Guidelines

- Always treat all ammunition as if it is live and capable of causing harm.
- Store bullets in a cool, dry place away from direct sunlight and moisture.
- Keep out of reach of children and unauthorized users.
- Use only in firearms that are in good working condition and designed for 9MM ammunition.
- Regularly inspect your firearm and ammunition for any signs of damage or wear.
- Follow all local laws and regulations regarding the use and storage of ammunition.

Specific Safety Precautions for Use

- Ensure that you are wearing appropriate eye and ear protection when handling or shooting.
- Avoid using these bullets in firearms with excessive wear or damage.
- Never mix different types of ammunition in the same magazine or chamber.
- Be aware of your surroundings and ensure a safe shooting environment.
- If you experience any misfires or other issues, follow the manufacturer's guidelines for safe handling.
- Only use published load data for jacketed bullets that match the weight of these bullets (115 grains).

Instructions for Installation and Usage

1. Loading the Bullets:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Use a reliable reloading manual to find appropriate load data for 9MM bullets.
- Load the bullets according to the specifications provided in the manual.

2. Shooting:

- Always check your firearm before shooting to ensure it is clean and functioning properly.
- Load your firearm in a safe area, away from people and pets.
- Follow standard shooting practices, including maintaining a proper stance and grip.

3. PostShooting:

- After shooting, clean your firearm according to the manufacturer's instructions.
- Inspect the bullets for any signs of damage before storage.
- Store any unused bullets in their original packaging to protect them from damage.

Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not discard bullets in regular household waste.
- Contact local authorities or a hazardous waste disposal facility for proper disposal methods.

Contact Information for Further Support

For safety inquiries or additional information about Berry's Superior Thick Plated 9MM Bullets, please refer to the contact details provided on the packaging or the manufacturer's website.

By following these guidelines, you can ensure a safe and enjoyable experience with Berry's Superior Thick Plated 9MM Bullets. Always prioritize safety and responsibility when handling ammunition. Thank you for your attention to these important safety instructions.
