Safety Instruction Guide for HYBRID HP SUPERIOR PLATED 9MM (0.356") BULLETS

Introduction

Thank you for choosing Berry's Superior Plated Bullets. This guide provides essential safety instructions and information to ensure safe usage of the product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure the product is stored in a cool, dry place, away from direct sunlight and moisture.
- Always handle bullets with care to avoid accidents.
- Keep out of reach of children and unauthorized users.
- Use the product only in firearms designed for 9mm caliber ammunition.
- Follow all local laws and regulations regarding the purchase and use of ammunition.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Improper handling may lead to accidental discharge.
 - Using the bullets in incompatible firearms may cause malfunctions or injuries.
- **Instructions to Avoid Hazards:**
 - Always treat every bullet as if it is live.
 - Never point a firearm at anything you do not intend to shoot.
 - Ensure the firearm is unloaded when loading or unloading bullets.
 - Wear appropriate eye and ear protection when using firearms.
- **Age or Audiencespecific Warnings:**
 - This product is intended for use by individuals who are 18 years or older and possess a valid Firearm Acquisition Certificate (FAC).

Instructions for Installation and Usage

- **Installation:**
 - Ensure your firearm is in good working condition and properly maintained.
 - Verify that the firearm is unloaded before inserting the bullets.
- **Usage:**
 - Load the bullets into the magazine according to the manufacturer's instructions for your specific firearm model.
 - Check that the magazine is securely inserted into the firearm before firing.
 - Follow the recommended velocities of 1,050-1,150 fps for optimal performance.
 - Always follow the manufacturer's guidelines for safe shooting practices.

Disposal Instructions

- Dispose of used or damaged ammunition responsibly.
- Do not throw bullets in regular trash.
- Contact local waste management authorities for safe disposal options.
- Follow all local regulations regarding the disposal of ammunition.

Contact Information for Further Support

For safety inquiries or concerns regarding this product, please contact your local regulatory authority or safety organization.

Thank you for your attention to these safety guidelines. Your safety and the safety of others is our top priority.
