

# IMPACT SPORT ELECTRONIC EARMUFFS - HOWARD LEIGHT IMPACT SPORT ELECTRONIC EARMUFFS BLACK

[Shooting Accessories](#) > [Ear & Eye Protection](#) > [Ear Muffs](#)

## Protects Hearing, Amplifies Conversation & Range Commands

The Howard Leigh Impact Sport Electronic Earmuffs offer compact, lightweight electronic hearing protection allowing you to hear conversations and range commands, while blocking out dangerous noises like gunfire. Internal ultra-fast response electronics amplify ambient sounds to a safe 82 decibels (dB), yet shut down when sounds above 82 dB are detected to let the muff's passive hearing protection take over. When the earmuffs are in amplification mode, directionally placed stereo microphones even help you hear where the sound is coming from. Built-in AUX input accepts 1/8" (3mm) stereo plug (patch cable included) to connect an MP3 player, radio, or other audio. The Impact Sport Electronic Earmuffs feature an automatically shut-off that activates after 4 hours to preserve battery life. Bottom half of the low-profile ear cups angles in sharply to ensure plenty of clearance when shouldering long guns. Cups fold up neatly into the adjustable head band for convenient storage.

# Safety Instruction Guide for Howard Leight Impact Sport Electronic Earmuffs

## Introduction

Thank you for choosing the Howard Leight Impact Sport Electronic Earmuffs. This guide provides essential safety instructions to ensure the effective and safe use of your earmuffs. Please read this guide carefully before use to familiarize yourself with important safety information and usage instructions.

## General Safety Guidelines

- Product Safety:** Ensure safe use of the earmuffs by following all safety instructions. These earmuffs are designed to protect your hearing while allowing ambient sounds to be heard.
- Enhanced Recalls:** Stay informed about any recalls or safety notices regarding your product. Check the EU Safety Gate platform for updates.
- Online Shopping:** If you purchased these earmuffs online, be assured that you have the same safety protections as if you bought them in a physical store.
- Special Consumer Focus:** These earmuffs are not intended for use by children under the age of 16 without adult supervision.
- EU Contact Point:** For any safety inquiries, please refer to the contact information provided by your retailer.
- Rapid Alerts:** Be aware that updates on unsafe products will be communicated quickly via the Safety Gate system.

## Specific Safety Precautions for Use

- Hearing Protection:** Always wear the earmuffs when exposed to loud noises, such as gunfire or machinery.
- Ambient Sound Awareness:** When in amplification mode, be aware of your surroundings and the direction of sounds to avoid unexpected dangers.
- Battery Safety:** Do not expose the earmuffs to extreme temperatures, moisture, or any corrosive substances that may damage the electronic components.
- Regular Checks:** Inspect the earmuffs regularly for any signs of wear or damage. If damaged, discontinue use and replace.
- Age Restrictions:** These earmuffs are designed for users aged 16 and above. Ensure that younger users are supervised when using the product.

## Instructions for Installation and Usage

### 1. Fitting the Earmuffs:

- Adjust the headband to fit snugly on your head without causing discomfort.
- Ensure that the ear cups cover your ears completely for optimal protection.

### 2. Activating the Amplification Mode:

- Turn on the earmuffs using the power button.
- Adjust the volume to a comfortable level using the volume control.

### 3. Connecting Audio Devices:

- Use the included AUX input to connect your MP3 player, radio, or other audio devices.
- Ensure that the audio device is set to a safe volume level before connecting.

#### 4. Automatic Shutoff Feature:

- The earmuffs will automatically turn off after 4 hours of inactivity to conserve battery life. To reactivate, simply press the power button.

#### 5. Storage:

- When not in use, fold the ear cups into the adjustable headband for compact storage.
- Store in a cool, dry place away from direct sunlight.

## Disposal Instructions

- **Battery Disposal:** Dispose of batteries in accordance with local regulations. Do not throw batteries in household waste.
- **Product Disposal:** When the earmuffs reach the end of their life, dispose of them according to local electronic waste disposal regulations to minimize environmental impact.

## Contact Information for Further Support

For any questions or concerns regarding the use of your Howard Leight Impact Sport Electronic Earmuffs, please refer to the contact details provided by your retailer or manufacturer.
