# IMPACT SPORT BOLT ELECTRONIC EARMUFFS SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the Impact Sport Bolt Electronic Earmuffs by Howard Leight. These earmuffs are designed to provide effective hearing protection while allowing you to stay connected with your surroundings. This guide provides essential safety instructions to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the earmuffs are worn correctly at all times when exposed to hazardous noise.
- Regularly inspect the earmuffs for any signs of damage or wear before use.
- Do not modify or attempt to repair the earmuffs yourself. Contact a professional for any repairs.
- Keep the earmuffs out of reach of children when not in use.
- Always follow local regulations regarding noise exposure and hearing protection.

## Specific Safety Precautions for Use

- Do not use the earmuffs in environments where they may be exposed to extreme temperatures or moisture.
- Ensure that the earmuffs fit snugly over the ears to provide optimal noise reduction.
- Be aware of your surroundings and maintain communication with others when using the earmuffs.
- Do not rely solely on the electronic features of the earmuffs for hearing; always stay vigilant in your environment.
- If you experience any discomfort or a decrease in hearing protection effectiveness, stop using the earmuffs immediately and consult a professional.

## Instructions for Installation and Usage

### 1. Fitting the Earmuffs:

- Adjust the headband to fit comfortably on your head.
- Ensure that the ear cups fully cover your ears for maximum protection.

### 2. Powering On the Earmuffs:

- Insert the required batteries as per the manufacturer's instructions.
- Turn on the earmuffs using the power switch located on the earmuff.

### 3. Using the Directional Microphones:

- Familiarize yourself with the directional microphone feature to enhance your ability to track sounds in your environment.
- Adjust the volume settings to a comfortable level that allows you to hear surrounding sounds without compromising hearing protection.

### 4. Connecting with Others:

- Use the inline microphone to communicate with other shooters or hunters while maintaining awareness of your environment.

### 5. Powering Off:

- After use, turn off the earmuffs to conserve battery life.

## Disposal Instructions

- Dispose of the earmuffs in accordance with local regulations for electronic waste.
- Remove batteries before disposal and recycle them according to your local recycling guidelines.
- Do not dispose of earmuffs in regular household waste.

## Contact Information for Further Support

For any questions or concerns regarding the Impact Sport Bolt Electronic Earmuffs, please refer to the manufacturer's contact information provided in the product packaging or visit their official website.

By following these safety instructions, you can ensure the effective use of your Impact Sport Bolt Electronic Earmuffs while complying with safety regulations. Always prioritize your hearing health and the safety of those around you. Thank you for your attention to these important guidelines.
