

# RLS 2-POINT SLINGS - MAGPUL RLS TWO-POINT RIFLE SLING COYOTE

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Slings](#)

## Quick Deployment Rifle Sling

The Magpul Rifleman Sling (RLS) is a simplified two-point sling. The Magpul RLS is designed for rapid deployment. The forward loop provides traditional shooting sling functionality, while also combining some of the best aspects of Rhodesian style and 1907 match style slings. The Magpul RLS features lightweight, durable polymer hardware that securely lock the forward loop in any desired position, while the sling keeper adjusts the effective size of the loop or locks it in place on the shooter's support arm. Magpul's proprietary weave 1-1/4" wide nylon webbing material for strength and wear resistance. Low-profile, lightweight and durable fasteners and hardware made from Magpul polymer. Compatible with Magpul® sling adapters and accessories, or any other 1.25" sling attachments (sold separately). Colored webbing has Near Infrared (NIR) treatment to reduce IR signature. Available in black and coyote brown. When the forward loop is not employed, the RLS functions as a simple carrying strap. Minimum weight and bulk with maximum functionality, all at a great price.

## Attributes

- Name: [MAGPUL RLS TWO-POINT RIFLE SLING COYOTE](#)
- Manufacturer: [MAGPUL](#)
- Product no.: 100029332
- Mfr. No.: MAG1004-COY

## Safety Instruction Guide

### Introduction

Thank you for choosing the Magpul RLS TwoPoint Rifle Sling. This safety instruction guide provides essential information to ensure the safe use of this product. Please read this guide carefully before using the sling to understand the necessary precautions and instructions.

### General Safety Guidelines

- Ensure the sling is suitable for the intended firearm and that it is properly installed.
- Regularly inspect the sling for any signs of wear, damage, or malfunction before each use.
- Avoid using the sling in extreme conditions that may compromise its integrity or functionality.
- Keep the sling out of reach of children and vulnerable individuals when not in use.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about any recall notices or safety updates related to the product.

### Specific Safety Precautions for Use

- **Proper Use:** The sling should be used solely for its intended purpose of carrying and stabilizing firearms.
- **Secure Attachment:** Ensure that the sling is securely attached to both the firearm and the shooter's body to prevent accidental release.
- **Avoid Overloading:** Do not exceed the weight limit of the sling, and avoid using it to carry items other than firearms.
- **Adjustments:** Make sure to adjust the sling to fit comfortably and securely on your support arm.
- **Environmental Awareness:** Be aware of your surroundings when using the sling, especially in crowded or confined spaces.

### Instructions for Installation and Usage

#### 1. Installation:

- Identify the attachment points on your firearm where the sling will be connected.
- Use compatible Magpul® sling adapters or any other 1.25" sling attachments.
- Securely attach the forward loop to the designated attachment point.
- Adjust the sling keeper to lock the forward loop in place or to adjust the effective size of the loop.

#### 2. Usage:

- To deploy the sling, slide the sling keeper to adjust the loop size as needed.
- When not in use, the forward loop can be disengaged, and the sling can function as a carrying strap.
- Ensure that the sling does not obstruct your firearm's operation or movement.

### Disposal Instructions

- Dispose of the sling in accordance with local regulations regarding plastic and textile waste.
- Do not incinerate the sling, as it may release harmful substances when burned.
- If the sling is damaged beyond repair, consider recycling the materials if possible.

## **Contact Information for Further Support**

For any inquiries regarding safety or product issues, please contact the manufacturer directly. Ensure to have your product details available for reference.

By following these guidelines, you can help ensure a safe and effective experience with your Magpul RLS TwoPoint Rifle Sling. Thank you for your attention to safety.
