

LIGHT CONTROL SYSTEM STREAMLIGHT PROTAC PICATINNY BLACK

[Shooting Accessories](#) > [Flashlights & Accessories](#) > [Flashlight Accessories](#)

Secure Your Streamlight

Don't rely on fabric, tape or ties to secure your essential Streamlight weaponlight to your rifle. These temporary tie-downs could fail at the wrong moment, leaving you in a bad position. The Cloud Defensive Streamlight ProTac Light Control System is purpose-built to provide a rock-solid attachment point for your lighting system. Made as a patent-pending design, the Cloud Defensive Streamlight ProTac Light Control System is specially designed to anchor securely to your rifle's rail system. The mount provides a place for excess cable to be stored, and the design is fully ambidextrous. Does Not Include Remote Switch Length: 3.5 inches Height: 0.575 inch Width: 1.32 inches Weight: 1.9 ounces Each Cloud Defensive Streamlight ProTac Light Control System is designed to be just as rugged as your go-to rifle, having been machined from 6061 aluminum and given a hard-coat anodized finish meeting all military specifications.

Safety Instruction Guide for the Cloud Defensive Streamlight ProTac Light Control System

Introduction

Thank you for choosing the Cloud Defensive Streamlight ProTac Light Control System. This product is designed to securely attach your Streamlight weaponlight to your rifle, ensuring reliable performance in critical situations. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the product is used according to the manufacturer's instructions.
- Regularly inspect the product for any signs of damage or wear before use.
- Do not use the product if it is damaged or malfunctioning.
- Keep the product out of reach of children and vulnerable individuals.
- Always comply with local laws and regulations regarding the use of weaponlights and accessories.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- **Secure Attachment:** Ensure the Light Control System is properly attached to the rifle's rail system before use.
- **Cable Management:** Store excess cable securely to avoid entanglement or interference with the operation of the rifle.
- **Ambidextrous Use:** The design is fully ambidextrous; however, ensure you are familiar with its operation from both sides.
- **Avoid Improvised Solutions:** Do not use fabric, tape, or ties to secure the weaponlight; these can fail at critical moments.
- **Regular Maintenance:** Clean the product regularly to maintain its performance and longevity.

Instructions for Installation and Usage

1. Installation:

- Ensure the rifle is unloaded and the safety is engaged.
- Identify the appropriate location on the rifle's rail system for mounting the Light Control System.
- Align the mount with the rail and slide it into place securely.
- Tighten any screws or fasteners as necessary to ensure a firm attachment.

2. Usage:

- Activate the weaponlight according to the manufacturer's instructions.
- Ensure that the weaponlight is functioning properly before engaging in any activities.
- Practice using the Light Control System in a safe environment to become familiar with its operation.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste.
- Do not dispose of the product in regular household waste.
- If you are unsure about disposal methods, contact local waste management authorities for guidance.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's website or contact their customer service directly. Ensure you have the product name and model information available for reference.

By following these safety instructions, you can ensure the safe and effective use of the Cloud Defensive Streamlight ProTac Light Control System. Thank you for prioritizing safety and performance.
