# VTAC Hybrid Sling Safety Instruction Guide

## Introduction

Thank you for choosing the Viking Tactics VTAC Hybrid Sling. This guide provides essential safety instructions and guidelines to ensure the safe use of your sling. Please read this guide carefully before using the product.

## General Safety Guidelines

- **Product Safety:** This sling has been designed to ensure safe use during various activities. Always follow the instructions to avoid accidents.
- **Enhanced Recalls:** Stay informed about any product recalls. If your sling is identified as unsafe, follow the recall instructions provided.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety requirements.
- **Special Consumer Focus:** This product is not intended for use by children. Always supervise its use to prevent accidents.
- **EU Contact Point:** For safety inquiries, refer to the product packaging for contact information of the manufacturer.
- **Rapid Alerts:** Check the EU Safety Gate platform regularly for updates on product safety.

## Specific Safety Precautions for Use

- **Proper Use:** Always use the sling as intended. Do not modify or alter the sling in any way.
- **Adjustments:** Ensure that all adjustments are made securely before use. The rubberized pull tabs should be fully engaged to prevent slippage.
- **Inspection:** Regularly inspect the sling for any signs of wear or damage. Do not use a damaged sling.
- **Weight Limit:** Ensure that the sling is used within its designed weight limits to prevent failure.
- **Storage:** Store the sling in a cool, dry place away from direct sunlight to avoid material degradation.

## Instructions for Installation and Usage

### 1. Installation:

- Locate the attachment points on your firearm.
- Securely attach the sling to the firearm using the twopoint sling design.
- Ensure that the triglides are properly engaged and locked in place.

### 2. Adjusting the Sling:

- To adjust the length, pull on the freerunning ends of the sling.
- Use the rubberized pull tabs for easier adjustments.
- After adjusting, ensure that the sling is securely fastened and does not slide.

### 3. Using the Sling:

- Place the padded section over your shoulder for comfort.
- Ensure that the firearm is secured and balanced while using the sling.
- Always maintain control of the firearm when using the sling.

## Disposal Instructions

- **Disposal of the Sling:** When the sling is no longer usable, dispose of it in accordance with local regulations. Do not dispose of it in regular household waste.
- **Recycling:** If possible, recycle the sling according to local recycling guidelines to minimize environmental impact.

impact.

## **Contact Information for Further Support**

For any questions or concerns regarding the Viking Tactics VTAC Hybrid Sling, please refer to the contact information provided on the product packaging or visit the manufacturer's website.

Thank you for your attention to these safety instructions. Enjoy the safe and effective use of your Viking Tactics VTAC Hybrid Sling.
