

ASP 9MM (0.355") JHP PISTOL BULLETS - NOSLER ASP 9MM (0.355") JHP 147GR 250/BOX

[Reloading](#) > [Bullets](#) > [Pistol Bullets](#)

ASSURED STOPPING POWER™ 9MM (0.355") JACKETED HOLLOW POINT PISTOL BULLETS Whether you punch paper, shoot steel or use your handgun for hunting, Nosler ensures you have the very finest in accuracy, consistency and overall quality. Our Assured Stopping Power™ bullets are designed with a skived copper-alloy jacket and hollow point for rapid and consistent expansion. The bullet's pure lead core is encased in the copper-alloy jacket for maximum bullet stability and balance while further enhancing accuracy. Like their premium rifle bullets, Nosler hand-inspects all ASP bullets for quality assurance and then polishes them to a bright finish.

Safety Instruction Guide for ASP 9MM (0.355") JHP PISTOL BULLETS

Introduction

Thank you for choosing Nosler ASP 9MM (0.355") Jacketed Hollow Point Pistol Bullets. This guide provides important safety instructions to ensure the safe use of this product. Please read and understand all sections before using the bullets.

General Safety Guidelines

- Always treat all ammunition as if it is loaded.
- Store ammunition in a cool, dry place, away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized users.
- Use only in firearms that are specifically designed for 9MM ammunition.
- Ensure that your firearm is in good working condition before use.
- Follow all local laws and regulations regarding the use and storage of ammunition.
- Be aware of your surroundings and ensure a safe shooting environment.
- Always wear appropriate eye and ear protection when shooting.

Specific Safety Precautions for Use

- Do not use damaged or corroded ammunition.
- Check for proper seating of the bullet in the cartridge case.
- Avoid using excessive force when loading ammunition into your firearm.
- Never attempt to modify or reload the ammunition.
- Be cautious of potential ricochet when shooting at hard surfaces.
- Always ensure the firearm is pointed in a safe direction when loading or unloading.

Instructions for Installation and Usage

1. Loading Your Firearm:

- Ensure the firearm is pointed in a safe direction.
- Open the action of the firearm.
- Insert the Nosler ASP 9MM bullets into the magazine, ensuring they are seated properly.
- Close the action and ensure the firearm is ready for use.

2. Firing:

- Always verify your target and what lies beyond it before firing.
- Maintain a firm grip on the firearm while firing.
- Follow the manufacturer's instructions for your specific firearm to ensure safe operation.

3. Unloading:

- Point the firearm in a safe direction.
- Open the action and remove the magazine.
- Clear the chamber to ensure no ammunition is left in the firearm.

Disposal Instructions

- Do not dispose of ammunition in regular household waste.
- Contact your local waste management authorities for proper disposal methods.
- Ensure all ammunition is disposed of in accordance with local regulations.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Nosler ASP 9MM (0.355") JHP Pistol Bullets, please consult the appropriate local authorities or safety organizations.

By following these safety instructions, you can help ensure a safe shooting experience with Nosler ASP 9MM (0.355") JHP Pistol Bullets. Always prioritize safety and responsible firearm handling.
