

TAURUS MILLENNIUM PRO LASERGUARD WITH POCKET HOLSTER - TAURUS MILLENNIUM PRO LASERGUARD RED WITH POCKET HOLSTER

[Optics & Mounting](#) > [Electronic Sights](#) > [Laser Sights](#)

Crimson Trace laser sights increase the flexibility of this already versatile pistol, adding an instinctively activated laser sight to the available options. Constructed of the same material as the pistol's frame, the Laserguard® shrugs off recoil and maintains zero, even if fitted to the 21 oz, .45 ACP Millennium Pro. Fitting seamlessly to the frame, the Laserguard's slim profile matches the Millennium Pro's width, ensuring that the pistol is easily concealed and holstered. This product is "bundled" and includes a Tuff Products Inside-The-Waistband Holster.

Attributes

- Name: [TAURUS MILLENNIUM PRO LASERGUARD RED WITH POCKET HOLSTER](#)
- Manufacturer: [CRIMSON TRACE CORPORATION](#)
- Product no.: 100029803

Safety Instruction Guide for TAURUS MILLENNIUM PRO LASERGUARD

Introduction

Thank you for choosing the TAURUS MILLENNIUM PRO LASERGUARD. This guide provides important safety instructions to ensure the safe and effective use of this product. Please read this guide carefully before using the Laserguard and keep it for future reference.

General Safety Guidelines

- Ensure safe use of the Laserguard by following all instructions provided in this guide.
- Be aware of potential hazards associated with laser products, including eye exposure and improper handling.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Keep the product out of reach of children and unauthorized users.
- Regularly check for product recalls and safety updates through the EU Safety Gate platform.

Specific Safety Precautions for Use

- Do not point the laser at anyone's eyes. The laser can cause serious eye injury.
- Ensure that the firearm is unloaded when installing or adjusting the Laserguard.
- Use the Laserguard only with the specified Taurus Millennium Pro model to ensure proper fit and function.
- Do not modify the Laserguard or use it in a manner not intended by the manufacturer.
- Store the Laserguard in a secure location when not in use to prevent unauthorized access.

Instructions for Installation and Usage

Installation

1. Ensure the firearm is unloaded and pointed in a safe direction.
2. Carefully remove the Laserguard from its packaging.
3. Align the Laserguard with the frame of the Taurus Millennium Pro.
4. Follow the manufacturer's instructions to secure the Laserguard in place.
5. Check that the Laserguard is properly fitted and does not interfere with the operation of the firearm.

Usage

- Activate the laser by pressing the instinctive activation button located on the Laserguard.
- Always verify the laser's functionality before use by testing it in a safe environment.
- Be aware of your surroundings when using the laser, and ensure that it is not mistakenly pointed at unintended targets.

Disposal Instructions

- Dispose of the Laserguard in accordance with local regulations for electronic waste.
- Remove the battery before disposal and recycle it according to local battery disposal guidelines.
- Do not dispose of the Laserguard in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the TAURUS MILLENNIUM PRO LASERGUARD, please refer to the manufacturer's contact information provided with the product packaging or visit the manufacturer's website for

additional resources.

Thank you for your attention to these safety guidelines. Your safety is our priority.
