Introduction

Thank you for choosing the Criterion Barrels AR15 6.5 Grendel HBAR barrel. This guide provides essential safety instructions and information to ensure the safe use and handling of your product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that you are familiar with local laws and regulations regarding firearms and their components.
- Store your barrel and firearm in a secure location, out of reach of children and unauthorized users.
- Inspect your barrel before each use to ensure it is free of obstructions and damage.
- Use only ammunition that is specified for the 6.5 Grendel caliber.
- Always wear appropriate eye and ear protection when shooting.
- Avoid using your firearm under the influence of drugs or alcohol.

Specific Safety Precautions for Use

- Ensure that the gas system is functioning properly before use to prevent malfunctions.
- Be aware of your surroundings and ensure that the area is clear of people and animals before firing.
- Do not exceed the recommended rate of fire to prevent overheating and potential damage to the barrel.
- If you notice any unusual sounds or malfunctions while firing, cease use immediately and inspect the firearm.
- Keep your fingers off the trigger until you are ready to shoot.

Instructions for Installation and Usage

Installation

1. Gather Necessary Tools:

- Wrench for barrel nut
- Torque wrench
- Gun cleaning supplies

2. Remove the Old Barrel:

- Ensure the firearm is unloaded.
- Use the appropriate tools to remove the existing barrel from the upper receiver.

3. Install the Criterion Barrel:

- Align the barrel extension with the upper receiver.
- Secure the barrel nut using the wrench and torque it to the manufacturer's specifications.
- Ensure that the gas tube is properly aligned with the gas port of the barrel.

4. Attach Muzzle Device:

- If using a muzzle device, thread it onto the barrel's muzzle and secure it according to the manufacturer's instructions.

5. **Inspect Installation:**

- Doublecheck all connections and ensure everything is tight and secure.

Usage

- Load your firearm with the appropriate 6.5 Grendel ammunition.
- Check the gas system to ensure it is functioning correctly.
- Fire your firearm in a safe and controlled environment.
- After use, clean the barrel and inspect for any signs of wear or damage.

Disposal Instructions

- Dispose of any unused or damaged ammunition according to local regulations.
- If you need to dispose of the barrel or firearm, contact a local firearms dealer or authority for guidance on safe disposal methods.
