

# DELUXE CARBON FIBER CLEANING ROD - 27-45 CALIBER 12" 8-32F CLEANING ROD

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rods](#)

Carbon fiber is well-suited to the tough tasks assigned to cleaning rods. It combines the best features of stainless steel and coated cleaning rods, then adds valuable properties of its own. Carbon fiber can't scratch your bore like stainless steel, and they won't embed like coated rods. Plus, Carbon Fiber rods can be bent to an extreme degree and return to their original straightness. Feature an ergonomically designed handle that spins on two sets of ball bearings - the result is a cleaning rod that smoothly follows the rifling both pushing and pulling, even while under pressure. The "shank-through" construction also allows the user to apply "reasonable" hammer blows to the end of the cleaning rod to get a tight patch through a bore.

## Attributes

- Name: [27-45 CALIBER 12" 8-32F CLEANING ROD](#)
- Manufacturer: [TIPTON GUN CLEANING SUPPLIES](#)
- Product no.: 100030455
- Mfr. No.: 303569R
- Caliber: 45 Caliber
- Material: Carbon Fiber
- Style: Rifle,Pistol
- Delivery weight: 0.249kg
- Shipping height: 305mm
- Shipping width: 51mm
- Shipping length: 305mm
- UPC: 661120035695

# Safety Instruction Guide for DELUXE CARBON FIBER CLEANING ROD 2745 CALIBER 12" 832F

## Introduction

Thank you for choosing the DELUXE CARBON FIBER CLEANING ROD. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read this guide carefully before use to understand the safety precautions and proper handling of the cleaning rod.

## General Safety Guidelines

- Ensure that the cleaning rod is used only for its intended purpose, which is cleaning firearms.
- Keep the cleaning rod out of reach of children and vulnerable individuals.
- Always wear appropriate eye protection when using the cleaning rod.
- Inspect the cleaning rod before each use. Do not use if damaged.
- Be aware of your surroundings and ensure that no one is in the line of fire when using the cleaning rod.
- Follow all local laws and regulations regarding firearm maintenance and cleaning.

## Specific Safety Precautions for Use

- **Avoid Contact with Firearms' Bore:** Do not force the cleaning rod into the bore of the firearm. Ensure it fits properly to avoid damage.
- **Use with Care:** When applying hammer blows to the cleaning rod, do so gently and only if necessary. Excessive force may damage the rod or the firearm.
- **Handling:** Always handle the cleaning rod with clean hands to avoid transferring oils or dirt onto the rod.
- **Storage:** Store the cleaning rod in a cool, dry place away from direct sunlight to prevent damage to the carbon fiber material.
- **Do Not Modify:** Do not modify or alter the cleaning rod in any way. Modifications may compromise safety and effectiveness.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including patches and cleaning solutions.

### 2. Inserting the Cleaning Rod:

- Carefully insert the cleaning rod into the bore of the firearm. Ensure it is aligned properly to avoid scratching.
- Use the ergonomically designed handle to guide the rod smoothly through the rifling.

### 3. Cleaning Process:

- Push and pull the cleaning rod gently to clean the bore. Avoid excessive force.
- If using a patch, ensure it is tightly fitted to the rod for effective cleaning.

### 4. Removing the Cleaning Rod:

- After cleaning, carefully remove the cleaning rod from the bore.
- Wipe the rod clean with a dry cloth after use to remove any residue.

### 5. PostCleaning:

- Inspect the cleaning rod for any signs of wear or damage after use.
- Store the cleaning rod in its designated place, ensuring it is protected from damage.

## **Disposal Instructions**

- Dispose of any cleaning materials used in conjunction with the cleaning rod according to local regulations.
- The cleaning rod itself should be disposed of responsibly if it becomes damaged beyond repair. Check with local waste management facilities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the DELUXE CARBON FIBER CLEANING ROD, please refer to the manufacturer's contact details available on the product packaging or visit the manufacturer's website.

Please remember to always prioritize safety when using the DELUXE CARBON FIBER CLEANING ROD. Following these guidelines will help ensure a safe and effective cleaning experience.
