

# DELUXE CARBON FIBER CLEANING ROD - 27-45 CALIBER 44" 8-32F CLEANING ROD

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rods](#)

Carbon fiber is well-suited to the tough tasks assigned to cleaning rods. It combines the best features of stainless steel and coated cleaning rods, then adds valuable properties of its own. Carbon fiber can't scratch your bore like stainless steel, and they won't embed like coated rods. Plus, Carbon Fiber rods can be bent to an extreme degree and return to their original straightness. Feature an ergonomically designed handle that spins on two sets of ball bearings - the result is a cleaning rod that smoothly follows the rifling both pushing and pulling, even while under pressure. The "shank-through" construction also allows the user to apply "reasonable" hammer blows to the end of the cleaning rod to get a tight patch through a bore.

## Attributes

- Name: [27-45 CALIBER 44" 8-32F CLEANING ROD](#)
- Manufacturer: [TIPTON GUN CLEANING SUPPLIES](#)
- Product no.: 100030457
- Mfr. No.: 509320R
- Caliber: 45 Caliber
- Material: Carbon Fiber
- Style: Pistol,Rifle
- Delivery weight: 0.354kg
- Shipping height: 51mm
- Shipping width: 51mm
- Shipping length: 1,295mm
- UPC: 661120093206

# DELUXE CARBON FIBER CLEANING ROD Safety Instruction Guide

## Introduction

Thank you for choosing the DELUXE CARBON FIBER CLEANING ROD. This product is designed to provide effective cleaning for firearms. Please read this safety instruction guide carefully to ensure safe and proper use of the cleaning rod.

## General Safety Guidelines

- Always handle cleaning rods with care to avoid injury.
- Keep the cleaning rod out of reach of children and vulnerable individuals.
- Use the cleaning rod only for its intended purpose.
- Inspect the cleaning rod before each use for any signs of damage or wear.
- Ensure that the firearm is unloaded before using the cleaning rod.
- Follow all local laws and regulations regarding firearm maintenance and cleaning.

## Specific Safety Precautions for Use

- Do not apply excessive force when using the cleaning rod, as this may cause damage to the rod or the firearm.
- Avoid using the cleaning rod on firearms that are not compatible with the specified caliber.
- When using the cleaning rod, ensure that you are in a wellventilated area to avoid inhaling any cleaning solvents or materials.
- Always wear safety glasses to protect your eyes from potential debris during cleaning.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is completely unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including cleaning solvents and patches.

### 2. Using the Cleaning Rod:

- Attach the appropriate cleaning brush or patch holder to the end of the cleaning rod.
- Insert the cleaning rod into the bore of the firearm gently, ensuring it follows the rifling.
- Spin the handle of the cleaning rod to allow it to move smoothly through the bore.
- Apply cleaning solvent to the patch or brush as needed, following the manufacturer's instructions for the solvent.

### 3. Cleaning Process:

- Push the cleaning rod through the bore from the chamber to the muzzle.
- Pull the cleaning rod back through the bore to remove it.
- Repeat the process as necessary until the bore is clean.

### 4. PostCleaning:

- After cleaning, ensure that the cleaning rod is free of any cleaning solvents and debris.
- Store the cleaning rod in a safe and dry location.

## Disposal Instructions

- Dispose of any used cleaning patches or solvents in accordance with local regulations.
- Do not dispose of the cleaning rod in regular household waste if it is damaged. Follow local guidelines for the disposal of hazardous materials.

## Contact Information for Further Support

For safety inquiries or additional support regarding the DELUXE CARBON FIBER CLEANING ROD, please refer to the manufacturer's contact information provided with the product packaging.

## Conclusion

By following these safety instructions, you can ensure safe and effective use of the DELUXE CARBON FIBER CLEANING ROD. Always prioritize safety and proper handling to maintain the integrity of both your firearm and the cleaning rod. Thank you for your attention to these guidelines.
