

VICKERS TACTICAL SLIDE RACKER - TANGODOWN VICKERS TACTICAL SLIDE RACKER-GLOCK® 9 GEN 5, BLACK

[Handgun Parts](#) > [Slide Parts](#) > [Slide Hardware](#) > [Slide Rackers](#)

The GSR-03 adds subtle, but tractable serrated wings at the slide's end, to guarantee a positive cycling of ammunition into the weapon. No matter how adverse the conditions, or how tough the fight, you can always rely on the GSR-03 to keep your weapon up and running. Even if you're down to one hand, cycling the slide against your belt, holster or heel is quick and positive. Small or arthritic hands will find it much easier to use than the traditional 'slingshot' method. The GSR-03 is big enough to offer advantage, yet small enough to be unnoticeable in concealed carry holsters. The GSR-03 is a top quality drop-in part, requiring no other modifications to the firearm. Injection molded of glass-reinforced nylon with stainless steel reinforcement just like the OEM part, it replaces the striker retention plate in minutes. Once in place, the GSR-03 offers easy, effortless and positive slide cycling under any condition. Tough, stainless steel & injection molded glass reinforced nylon construction

Attributes

- Name: [TANGODOWN VICKERS TACTICAL SLIDE RACKER-GLOCK® 9 GEN 5, BLACK](#)
- Manufacturer: [TANGODOWN](#)

VICKERS TACTICAL SLIDE RACKER SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Vickers Tactical Slide Racker for your Glock® 9 Gen 5. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure safe use of the Slide Racker by following all instructions.
- Always treat your firearm as if it is loaded.
- Keep the Slide Racker and firearm out of reach of children and unauthorized users.
- Regularly inspect the Slide Racker for any signs of wear or damage before use.
- Do not use the Slide Racker if it is damaged or malfunctioning.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use the Slide Racker only with compatible Glock models: 17, 19, 34, and 26.
- Avoid using excessive force when cycling the slide.
- Do not attempt to modify the Slide Racker or firearm in any way.
- When using the Slide Racker, ensure that your hands are dry and free from any substances that may affect grip.
- Always ensure that the firearm is pointed in a safe direction when using the Slide Racker.

Instructions for Installation and Usage

Installation

1. **Ensure Safety:** Before beginning the installation, ensure that your firearm is unloaded and pointed in a safe direction.
2. **Remove the Striker Retention Plate:** Using a suitable tool, carefully remove the existing striker retention plate from your Glock.
3. **Insert the GSR03:** Align the GSR03 Slide Racker with the designated slot and press it into place, ensuring it fits snugly.
4. **Check Functionality:** After installation, manually cycle the slide to ensure proper function and fit.

Usage

- To cycle the slide, grip the serrated wings of the Slide Racker firmly.
- Use your belt, holster, or heel to assist in cycling the slide if needed, especially when using one hand.
- Practice using the Slide Racker in a safe environment to become familiar with its operation.

Disposal Instructions

- Dispose of the Slide Racker responsibly in accordance with local regulations.
- Do not dispose of the Slide Racker in regular household waste.
- If the Slide Racker is damaged, contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Vickers Tactical Slide Racker, please refer to the manufacturer's contact information provided with your product packaging.

By following these safety instructions, you can ensure a safe and effective experience with your Vickers Tactical Slide Racker. Always prioritize safety and responsible handling of your firearm.
