

CUSTOM GRADE HANDGUN SEATER DIES - 380 ACP, 9MM BULLET SEATING DIE

[Reloading](#) > [Reloading Dies](#) > [Handgun Dies](#)

Hornady's Custom Grade New Dimension dies are created from select steel that's heat-treated to ensure the durability needed for a lifetime of reloading. Hornady guarantees they'll never wear out or break under normal use. All dies include the popular double-flat Hornady die lock rings installed and a custom plastic box. Hornady dies are grouped in three series for pricing - die construction and quality is equal in each series. Custom Grade Seater dies include a sliding alignment sleeve which holds the bullet, case mouth, and seater stem in alignment before the bullet enters the case mouth. Seater dies include a built-in crimp ring which can be used or raised for no crimp. All dies come with the popular double-flat Hornady die lock rings installed and a custom plastic die box.

CUSTOM GRADE HANDGUN SEATER DIES 380 ACP, 9MM BULLET SEATING DIE Safety Instructions

Introduction

Thank you for choosing the Hornady Custom Grade Handgun Seater Dies. These dies are designed for durability and precision in reloading ammunition. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure that you are familiar with the laws and regulations regarding ammunition reloading in your area.
- Always use personal protective equipment (PPE), including safety glasses and hearing protection, when reloading ammunition.
- Keep all tools and materials out of reach of children and unauthorized users.
- Only use the dies for their intended purpose as specified in this manual.
- Regularly inspect your equipment for signs of wear or damage.
- In case of any doubts or questions regarding the use of the product, consult the manufacturer or a qualified professional.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Risk of injury from improper handling of reloading equipment.
 - Risk of ammunition malfunction if the dies are not used correctly.
- **Avoiding Hazards:**
 - Always ensure that the work area is clean and free from distractions.
 - Do not exceed the recommended load limits for the ammunition being reloaded.
 - Use proper techniques for handling and seating bullets to prevent accidents.
 - Ensure that the die is securely mounted before use to avoid movement during operation.
- **Age Specific Warnings:**
 - This product is intended for use by individuals aged 18 and older.
 - Keep out of reach of children.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure that your reloading press is clean and free of debris.
 2. Securely mount the seater die into the reloading press according to the manufacturer's instructions.
 3. Install the doubleflat Hornady die lock rings to ensure stability during use.
- **Usage:**
 1. Prepare the cartridge cases by cleaning and inspecting them for defects.
 2. Use the sliding alignment sleeve to hold the bullet, case mouth, and seater stem in alignment.
 3. Adjust the die to the desired seating depth according to your reloading specifications.

4. Insert the case into the press and begin the reloading process, ensuring that the bullet is seated properly.
5. If crimping is required, adjust the builtin crimp ring as necessary.

- **PostUse:**

- Clean the dies after use to prevent buildup of residue and ensure longevity.
- Store the dies in the custom plastic die box provided to protect them from damage.

Disposal Instructions

- Dispose of any defective or damaged dies in accordance with local regulations.
- Do not throw away dies in regular household waste. Instead, contact local waste management services for proper disposal options.

Contact Information for Further Support

For any questions or support regarding your Hornady Custom Grade Handgun Seater Dies, please refer to the official Hornady website or contact their customer service for assistance.

By following these safety instructions, you can help ensure a safe and effective reloading experience. Thank you for your commitment to safety and responsible ammunition handling.
