DIGITAL CALIPER SAFETY INSTRUCTIONS

Introduction

Thank you for choosing Hornady's Digital Caliper. This manual provides important safety instructions and guidelines to ensure safe and effective use of your caliper. Please read this guide carefully before using the product.

General Safety Guidelines

- Always use the digital caliper in accordance with the manufacturer's instructions.
- Keep the caliper out of reach of children and vulnerable individuals.
- Inspect the caliper for any visible damage before use. Do not use if damaged.
- Avoid exposure to extreme temperatures, moisture, or direct sunlight.
- Store the caliper in its protective case when not in use to prevent damage.
- Do not attempt to disassemble or repair the caliper yourself.

Specific Safety Precautions for Use

- Ensure that the measuring surfaces of the caliper are clean before taking measurements.
- Do not apply excessive force when measuring to avoid damaging the caliper or the object being measured.
- Use the caliper only for its intended purpose of measuring dimensions. Do not use it for any other applications.
- Be cautious of sharp edges when measuring objects, as they may cause injury.
- If using the caliper in a workshop environment, ensure that the work area is clean and free of hazards.

Instructions for Installation and Usage

1. **Powering On the Caliper:**

   - Press the ON button to turn on the caliper.
   - The LCD screen will display the default measurement mode (inches or metric).

2. **Measuring Length:**

   - Open the caliper jaws to the desired measurement.
   - Place the object between the jaws and gently close them until they touch the object.
   - Read the measurement displayed on the LCD screen.

3. **Measuring Diameter:**

   - To measure the inside diameter, insert the caliper jaws into the opening of the object.
   - For outside diameter measurements, place the object between the jaws and close gently.
   - Read the measurement from the LCD screen.

4. **Measuring Depth:**

   - Extend the depth rod from the caliper.
   - Insert the rod into the hole or recess you wish to measure.
   - Read the measurement displayed on the LCD screen.

5. **Switching Between Inches and Metric:**

   - Press the unit button to toggle between inches and metric measurements.

6. **Turning Off the Caliper:**

    - The caliper will automatically turn off after a period of inactivity.
    - To turn it off manually, press the OFF button.

Disposal Instructions

- Dispose of the digital caliper in accordance with local regulations.
- Do not dispose of the caliper in household waste.
- Remove the battery before disposal and recycle it according to local guidelines.

Contact Information for Further Support

For any questions or concerns regarding the use of Hornady's Digital Caliper, please refer to the manufacturer's website or customer support for assistance.

By following these safety instructions, you can ensure the safe and effective use of your digital caliper. Thank you for your attention to these important guidelines.
