Take Your Remington 700 Up a Notch

KINETIC RESEARCH GROUP BRAVO CHASSIS FOR REMINGTON 700 SHORT ACTION The Remington 700 is one of the most customized rifles on the market, and finding the perfect aftermarket component can be a never-ending search. However, the stock is covered, thanks to the Kinetic Research Group Remington 700 Bravo Chassis. The Kinetic Research Group Remington 700 Bravo Chassis features a backbone made from machined aluminum that stretches along the entire length of the stock, giving it rigidity that will ensure the same performance usually found with custom bedding jobs. The rest of the stock is made from reinforced polymer for durability. FEATURES Fits all Remington 700 short actions Available in black and flat dark earth colors Weight: 2.9 pounds M-LOK compatible The Kinetic Research Group Remington 700 Bravo Chassis also features an adjustable cheek riser and length of pull, a built-in thumb shelf, quick-detach sling-swivel mounting points, bipod-attachment stud and is compatible with all AICS-pattern magazines.

Consumer Safety Instruction Guide for the Kinetic Research Group Bravo Chassis for Remington 700 Short Action

Introduction

Thank you for choosing the Kinetic Research Group Bravo Chassis for your Remington 700 Short Action. This guide provides essential safety instructions and guidelines to ensure the safe use of your product. It is important to read and understand this information before using the chassis to maximize safety and performance.

General Safety Guidelines

- Ensure that the chassis is compatible with your specific model of Remington 700 Short Action before installation.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Keep the chassis and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the chassis for any signs of wear or damage before each use.
- If you experience any issues with the chassis, cease use immediately and consult a qualified gunsmith or contact customer support.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using firearms equipped with the Bravo Chassis.
- Ensure that the firearm is unloaded before attaching or detaching the chassis.
- Be aware of your surroundings and ensure a safe shooting environment.
- Use only AICSpattern magazines that are compatible with the Bravo Chassis.
- Do not exceed the manufacturer's weight limit for accessories mounted on the chassis.

Instructions for Installation and Usage

1. Installation Instructions

- Ensure the firearm is completely unloaded.
- Remove the existing stock from your Remington 700 Short Action.
- Align the Bravo Chassis with the action of the firearm.
- Securely fasten the action screws to attach the chassis to the firearm.
- Adjust the cheek riser and length of pull to your preferred settings.
- Verify that all components are properly secured before use.

2. Usage Instructions

- Before each use, check that the chassis is securely attached to the firearm.
- Adjust the thumb shelf and slingswivel mounting points as needed for comfort and stability.
- Practice safe handling and shooting techniques at all times.
- Clean and maintain the chassis according to the manufacturer's recommendations.

Disposal Instructions

- When disposing of the Bravo Chassis, follow local regulations regarding the disposal of polymer and aluminum materials.
- Consider recycling the chassis if possible, as it is made from recyclable materials.
- Do not dispose of the chassis in regular household waste.

Contact Information for Further Support

For any inquiries regarding safety, installation, or performance of the Kinetic Research Group Bravo Chassis, please reach out to your local retailer or manufacturer directly. It is important to have access to professional support for any concerns regarding your product.

Conclusion

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your Kinetic Research Group Bravo Chassis for Remington 700 Short Action. Always prioritize safety and responsible firearm handling. Thank you for your attention, and enjoy your shooting experience!
