

ARCA RAIL - KINETIC RESEARCH GROUP ACRA SWISS RAIL ACCESSORY

[Shooting Accessories](#) > [Bipods, Monopods & Accessories](#) > [Bipod Accessories](#)

Light and Low Profile

The KRG Arca rail gives you Arca-Swiss rail functionality for your KRG Whiskey-3, X-ray, or Bravo chassis. It's low profile and light weight and mounts to the bottom of the forend without being obtrusive. There are limitless possibilities for mounting and positioning accessories to your chassis with this rail. Attach your bipod using an ARCA Clamp and you can easily remove or re-position for the next stage or even during a stage. Fits: KRG Whiskey-3, X-ray, and Bravo chassis.

ARCA RAIL KINETIC RESEARCH GROUP ACRA SWISS RAIL ACCESSORY Safety Instruction Guide

Introduction

Thank you for choosing the ARCA RAIL KINETIC RESEARCH GROUP ACRA SWISS RAIL ACCESSORY. This guide provides essential safety information and instructions to ensure the safe and effective use of your product. Please read this guide carefully before using the rail accessory.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this guide.
- Always inspect the product for any damage or wear before each use.
- Avoid using the product in wet or damp conditions to prevent slipping or corrosion.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Report any unsafe conditions or incidents to the relevant authorities.

Specific Safety Precautions for Use

- When attaching accessories to the rail, ensure that they are securely fastened to prevent accidental detachment.
- Do not exceed the weight limit specified for accessories mounted on the rail to avoid failure.
- Be cautious when repositioning or removing accessories during use to prevent injury.
- Always use the appropriate tools when installing or adjusting the rail to avoid personal injury or damage to the product.
- Wear appropriate safety gear when using the product in conjunction with firearms or other equipment.

Instructions for Installation and Usage

1. Installation of the Rail:

- Ensure that the surface of the forend is clean and free of debris.
- Align the rail with the mounting points on the bottom of the forend.
- Use the provided screws and tools to securely attach the rail to the forend.
- Doublecheck that the rail is firmly attached before proceeding to use it.

2. Attaching Accessories:

- Select the accessory you wish to attach (e.g., bipod).
- Use an ARCA Clamp to secure the accessory to the rail.
- Ensure that the accessory is locked in place before use.

3. Repositioning Accessories:

- To reposition an accessory, release the ARCA Clamp carefully.
- Adjust the position of the accessory as needed.
- Resecure the accessory using the ARCA Clamp to ensure it is firmly attached.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic and nonfood items.
- Do not dispose of the product in regular household waste.
- Consider recycling options for the metal and plastic components of the product.

Contact Information for Further Support
