Safety Instruction Guide for ROLLER HANDLE ASSEMBLY LEE PRECISION

Introduction

Thank you for choosing the ROLLER HANDLE ASSEMBLY from LEE PRECISION. This guide provides essential safety instructions and guidelines to ensure the safe use of the roller handle assembly with compatible products. Please read this guide thoroughly before installation and use.

General Safety Guidelines

- Ensure that the roller handle assembly is used only with the Pro 1000 and Turret Press models.
- Do not attempt to use this assembly with the Classic Turret Press, Breech Lock Classic, Classic Cast, LoadMaster, or Reloader Press.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Always wear appropriate safety gear, such as safety glasses, when using reloading equipment.
- Inspect the roller handle assembly for any damage or wear before each use. Do not use if damaged.
- Follow all manufacturer instructions provided with your press to ensure safe operation.

Specific Safety Precautions for Use

- Always ensure that the press is in a stable position before using the roller handle assembly.
- Avoid placing hands or fingers near moving parts during operation.
- Do not overload the press beyond its specified limits.
- Be aware of your surroundings and ensure that no one is in close proximity while operating the press.
- If you experience any unusual noises or resistance while using the roller handle, stop immediately and inspect the assembly.

Instructions for Installation and Usage

1. Installation:

- Ensure that the press is powered off and unplugged (if applicable).
- Locate the mounting area for the roller handle assembly on your compatible press.
- Align the roller handle assembly with the mounting points.
- Securely fasten the assembly using the provided hardware, ensuring it is tight but not overtorqued.
- Check that the roller handle moves freely before proceeding.

2. Usage:

- Power on the press (if applicable) and ensure it is in a safe operating condition.
- Grasp the roller handle firmly and operate it according to the instructions provided with your press.
- Monitor the operation closely and stop immediately if any issues arise.

Disposal Instructions

- Dispose of the roller handle assembly in accordance with local regulations.
- Do not dispose of the product in regular household waste. Instead, consider recycling options if available.
- Ensure that any packaging materials are also disposed of responsibly.

Contact Information for Further Support

For any questions or concerns regarding the ROLLER HANDLE ASSEMBLY, please refer to the manufacturer's official website or contact their customer support for assistance.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience with your ROLLER HANDLE ASSEMBLY. Always prioritize safety and refer back to this guide whenever needed. Thank you for your attention to safety and for choosing LEE PRECISION products.
