

DELUXE CARBON FIBER CLEANING ROD - 17-20 CALIBER 26" 5-40F CLEANING ROD

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rods](#)

Carbon fiber is well-suited to the tough tasks assigned to cleaning rods. It combines the best features of stainless steel and coated cleaning rods, then adds valuable properties of its own. Carbon fiber can't scratch your bore like stainless steel, and they won't embed like coated rods. Plus, Carbon Fiber rods can be bent to an extreme degree and return to their original straightness. Feature an ergonomically designed handle that spins on two sets of ball bearings - the result is a cleaning rod that smoothly follows the rifling both pushing and pulling, even while under pressure. The "shank-through" construction also allows the user to apply "reasonable" hammer blows to the end of the cleaning rod to get a tight patch through a bore.

Attributes

- Name: [17-20 CALIBER 26" 5-40F CLEANING ROD](#)
- Manufacturer: [TIPTON GUN CLEANING SUPPLIES](#)
- Product no.: 100032253
- Mfr. No.: 146468R
- Caliber: 17 Caliber (.177)
- Material: Carbon Fiber
- Style: Rifle,Pistol
- Delivery weight: 0.272kg
- Shipping height: 51mm
- Shipping width: 51mm
- Shipping length: 864mm
- UPC: 661120464686

DELUXE CARBON FIBER CLEANING ROD 1720 CALIBER 26" 540F CLEANING ROD Safety Instruction Guide

Introduction

Thank you for choosing the DELUXE CARBON FIBER CLEANING ROD. This guide provides essential safety instructions and usage information to ensure safe and effective operation of your cleaning rod. Please read all instructions carefully before use.

General Safety Guidelines

- Ensure that the cleaning rod is used only for its intended purpose.
- Always inspect the cleaning rod for any signs of damage before use.
- Keep the cleaning rod out of reach of children and vulnerable individuals.
- Use the cleaning rod in a wellventilated area to avoid inhalation of any cleaning solvents or materials.
- Follow all manufacturer instructions for cleaning solvents and patches.

Specific Safety Precautions for Use

- **Avoid Contact with Eyes:** Always use protective eyewear when cleaning firearms to prevent any accidental splashes of cleaning solutions.
- **Proper Handling:** Handle the cleaning rod with care to avoid injury. Make sure the rod is securely held during use.
- **Bore Safety:** Ensure that the firearm is unloaded and pointed in a safe direction before inserting the cleaning rod into the bore.
- **Use of Hammer:** If using a hammer to apply reasonable blows to the cleaning rod, ensure that the rod is properly aligned to prevent damage or injury.
- **Check Compatibility:** Ensure that the cleaning rod is compatible with the caliber of your firearm to avoid damage to both the rod and the firearm.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is completely unloaded.
- Gather all necessary cleaning supplies, including patches and cleaning solvents.

2. Inserting the Cleaning Rod:

- Insert the cleaning rod into the bore of the firearm carefully.
- Ensure that the rod is straight and not bent during insertion.

3. Cleaning Process:

- Use an appropriate patch soaked in cleaning solvent.
- Push the cleaning rod through the bore gently, then pull it back out.
- Repeat the process until the bore is clean.

4. Using the Hammer:

- If necessary, apply reasonable hammer blows at the end of the cleaning rod to push a tight patch

through the bore.

- Ensure that the rod is held securely and aligned properly to prevent damage.

5. PostCleaning:

- After cleaning, remove the cleaning rod from the bore and clean the rod itself.
- Store the cleaning rod in a safe place, away from children.

Disposal Instructions

- Dispose of any cleaning solvents and used patches in accordance with local regulations.
- Ensure that the cleaning rod is disposed of properly if it becomes damaged and is no longer safe for use.

Contact Information for Further Support

For any questions or concerns regarding the DELUXE CARBON FIBER CLEANING ROD, please refer to the manufacturer or authorized retailer. Ensure you have the product details available for assistance.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your DELUXE CARBON FIBER CLEANING ROD. Thank you for your attention to safety and proper usage.
