

# DELUXE CARBON FIBER CLEANING ROD - 22-26 CALIBER 12" 8-32M CLEANING ROD

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rods](#)

Carbon fiber is well-suited to the tough tasks assigned to cleaning rods. It combines the best features of stainless steel and coated cleaning rods, then adds valuable properties of its own. Carbon fiber can't scratch your bore like stainless steel, and they won't embed like coated rods. Plus, Carbon Fiber rods can be bent to an extreme degree and return to their original straightness. Feature an ergonomically designed handle that spins on two sets of ball bearings - the result is a cleaning rod that smoothly follows the rifling both pushing and pulling, even while under pressure. The "shank-through" construction also allows the user to apply "reasonable" hammer blows to the end of the cleaning rod to get a tight patch through a bore.

## Attributes

- Name: [22-26 CALIBER 12" 8-32M CLEANING ROD](#)
- Manufacturer: [TIPTON GUN CLEANING SUPPLIES](#)
- Product no.: 100032254
- Mfr. No.: 658675R
- Caliber: 26 Caliber, 22 Caliber (.223)
- Material: Carbon Fiber
- Style: Pistol, Rifle
- Delivery weight: 0.249kg
- Shipping height: 51mm
- Shipping width: 51mm
- Shipping length: 521mm
- UPC: 661120586753

# DELUXE CARBON FIBER CLEANING ROD Safety Instruction Guide

## Introduction

Thank you for purchasing the DELUXE CARBON FIBER CLEANING ROD. This guide provides essential safety instructions to ensure the safe and effective use of the cleaning rod. Please read this guide thoroughly before using the product.

## General Safety Guidelines

- Always follow the manufacturer's instructions for safe use.
- Ensure that the cleaning rod is suitable for the specific caliber of your firearm.
- Keep the cleaning rod out of reach of children and vulnerable individuals.
- Inspect the cleaning rod for any damage or wear before each use.
- Do not use the cleaning rod for purposes other than cleaning firearms.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- **Potential Hazards:**
  - Injury from improper handling of the cleaning rod.
  - Damage to the firearm bore if used incorrectly.
- **Avoiding Hazards:**
  - Always handle the cleaning rod with care to avoid injury.
  - Ensure the firearm is unloaded and pointed in a safe direction before using the cleaning rod.
  - Use the cleaning rod with a proper patch that fits snugly to prevent it from getting stuck in the bore.
  - Do not apply excessive force when using the cleaning rod to avoid damaging the firearm or the rod itself.
  - Avoid using the cleaning rod in a wet or slippery environment.

## Instructions for Installation and Usage

- **Installation:**
  - Attach the appropriate cleaning patch to the end of the cleaning rod.
  - Ensure the patch is securely fastened to prevent it from detaching during use.
- **Usage:**
  - Insert the cleaning rod into the bore of the firearm gently.
  - Push the rod through the bore in a straight motion, avoiding any twisting or bending.
  - Pull the rod back through the bore to remove the patch and any debris.
  - Repeat the process as necessary, ensuring to change the patch when it becomes dirty.
  - After cleaning, store the cleaning rod in a safe, dry place.

## Disposal Instructions

- Dispose of any used cleaning patches and materials in accordance with local regulations.
- The cleaning rod itself can be disposed of as general waste if it is no longer usable. Check local guidelines for specific disposal instructions.

## **Contact Information for Further Support**

For any safety inquiries or support regarding the DELUXE CARBON FIBER CLEANING ROD, please refer to the manufacturer's contact information provided with the product.

Thank you for prioritizing safety while using your cleaning rod. Enjoy clean and wellmaintained firearms!
