

# DELUXE CARBON FIBER CLEANING ROD - 22-26 CALIBER 26" 8-32F CLEANING ROD

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rods](#)

Carbon fiber is well-suited to the tough tasks assigned to cleaning rods. It combines the best features of stainless steel and coated cleaning rods, then adds valuable properties of its own. Carbon fiber can't scratch your bore like stainless steel, and they won't embed like coated rods. Plus, Carbon Fiber rods can be bent to an extreme degree and return to their original straightness. Feature an ergonomically designed handle that spins on two sets of ball bearings - the result is a cleaning rod that smoothly follows the rifling both pushing and pulling, even while under pressure. The "shank-through" construction also allows the user to apply "reasonable" hammer blows to the end of the cleaning rod to get a tight patch through a bore.

## Attributes

- Name: [22-26 CALIBER 26" 8-32F CLEANING ROD](#)
- Manufacturer: [TIPTON GUN CLEANING SUPPLIES](#)
- Product no.: 100032255
- Mfr. No.: 216411R
- Caliber: 26 Caliber, 22 Caliber (.223)
- Material: Carbon Fiber
- Style: Pistol, Rifle
- Delivery weight: 0.281kg
- Shipping height: 51mm
- Shipping width: 51mm
- Shipping length: 851mm
- UPC: 661120164111

# DELUXE CARBON FIBER CLEANING ROD SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the DELUXE CARBON FIBER CLEANING ROD. This guide provides important safety instructions and guidelines to ensure the safe use of this product. Please read this document carefully before using the cleaning rod.

## General Safety Guidelines

- Ensure that you are familiar with the cleaning rod's components and functionality before use.
- Always inspect the cleaning rod for any signs of damage or wear before each use. Do not use if damaged.
- Keep the cleaning rod out of reach of children and vulnerable individuals.
- Use the cleaning rod only for its intended purpose, which is cleaning firearms of .22 to .26 caliber.
- Follow all local laws and regulations regarding firearm cleaning and maintenance.

## Specific Safety Precautions for Use

- **Avoid Contact with Eyes:** When using cleaning solvents or lubricants, avoid contact with eyes. Use safety goggles if necessary.
- **Proper Handling:** Always handle the cleaning rod with care. Avoid using excessive force that may lead to breakage or injury.
- **Secure Cleaning Area:** Ensure that your cleaning area is secure and free from distractions. Always point the firearm in a safe direction.
- **Use of Patch:** When using cleaning patches, ensure they are properly secured to avoid them getting stuck in the bore.
- **Avoid Overextension:** Do not bend the cleaning rod beyond its designed capability to prevent breakage.

## Instructions for Installation and Usage

- **Assembling the Cleaning Rod:**

1. Ensure that the cleaning rod is fully extended and locked in place.
2. Attach the appropriate cleaning tip for your caliber. Ensure it is securely fastened.

- **Using the Cleaning Rod:**

1. Insert the cleaning rod into the bore from the chamber end, if applicable.
2. Use a steady, smooth motion to push and pull the cleaning rod through the bore.
3. If resistance is felt, do not force the rod. Check for any obstructions or issues.
4. Apply reasonable hammer blows to the end of the cleaning rod if necessary, but avoid excessive force.

- **Cleaning and Maintenance:**

1. After use, clean the cleaning rod with a suitable solvent to remove any residue.
2. Store the cleaning rod in a cool, dry place when not in use.

## **Disposal Instructions**

- Dispose of any cleaning patches, solvents, or lubricants according to local regulations.
- If the cleaning rod becomes damaged beyond repair, dispose of it responsibly in accordance with local waste disposal regulations.

## **Contact Information for Further Support**

For any questions or concerns regarding the DELUXE CARBON FIBER CLEANING ROD, please contact the manufacturer directly through their official contact channels. Ensure that you have the product details available for reference.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your DELUXE CARBON FIBER CLEANING ROD. Thank you for your attention to these important guidelines.
