

DELUXE CARBON FIBER CLEANING ROD - 27-45 CALIBER 40" 8-32F CLEANING ROD

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rods](#)

Carbon fiber is well-suited to the tough tasks assigned to cleaning rods. It combines the best features of stainless steel and coated cleaning rods, then adds valuable properties of its own. Carbon fiber can't scratch your bore like stainless steel, and they won't embed like coated rods. Plus, Carbon Fiber rods can be bent to an extreme degree and return to their original straightness. Feature an ergonomically designed handle that spins on two sets of ball bearings - the result is a cleaning rod that smoothly follows the rifling both pushing and pulling, even while under pressure. The "shank-through" construction also allows the user to apply "reasonable" hammer blows to the end of the cleaning rod to get a tight patch through a bore.

Attributes

- Name: [27-45 CALIBER 40" 8-32F CLEANING ROD](#)
- Manufacturer: [TIPTON GUN CLEANING SUPPLIES](#)
- Product no.: 100032259
- Mfr. No.: 413662R
- Caliber: 45 Caliber, 27 Caliber
- Material: Carbon Fiber
- Style: Rifle, Pistol
- Delivery weight: 0.336kg
- Shipping height: 51mm
- Shipping width: 51mm
- Shipping length: 1,219mm
- UPC: 661120136620

DELUXE CARBON FIBER CLEANING ROD 2745 CALIBER 40" 832F CLEANING ROD Safety Instruction Guide

Introduction

Thank you for purchasing the DELUXE CARBON FIBER CLEANING ROD. This guide provides essential safety information and instructions to ensure the safe and effective use of your cleaning rod. Please read this guide carefully before use.

General Safety Guidelines

- Always ensure the cleaning rod is compatible with your firearm caliber.
- Inspect the cleaning rod for any damage before each use. Do not use if damaged.
- Keep the cleaning rod out of reach of children and pets.
- Use the cleaning rod in a wellventilated area.
- Wear safety goggles to protect your eyes from debris while cleaning.
- Follow all firearm safety rules when cleaning your firearm.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Avoid Contact with Firearms:** Ensure the firearm is unloaded before using the cleaning rod.
- **Use Appropriate Force:** Apply reasonable force when using the cleaning rod to avoid damage to the rod or the firearm.
- **Avoid Excessive Bending:** Although the carbon fiber rod can bend, avoid bending it beyond its limits to prevent breakage.
- **Check for Obstructions:** Before inserting the cleaning rod, check the bore for any obstructions that could cause damage.
- **Use Correct Technique:** Always push and pull the cleaning rod smoothly to follow the rifling without applying excessive pressure.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is unloaded.
- Gather all necessary cleaning supplies and your cleaning rod.

2. Inserting the Cleaning Rod:

- Align the cleaning rod with the bore of the firearm.
- Gently insert the cleaning rod into the bore, ensuring it is straight.

3. Cleaning Procedure:

- Use the appropriate cleaning patches or brushes for your caliber.
- Push the cleaning rod through the bore, applying a smooth motion.
- If resistance is felt, do not force the rod; instead, check for obstructions.

4. Removing the Cleaning Rod:

- Once cleaning is complete, carefully pull the cleaning rod out of the bore.
- Inspect the cleaning rod for any signs of wear or damage.

5. Storage:

- Store the cleaning rod in a dry place, away from direct sunlight and extreme temperatures.
- Ensure the cleaning rod is stored out of reach of children.

Disposal Instructions

- Dispose of the cleaning rod in accordance with local regulations for nonhazardous waste.
- If the cleaning rod is damaged beyond repair, consider recycling the carbon fiber material if facilities are available.

Contact Information for Further Support

For safety inquiries or support regarding this product, please contact the manufacturer directly. Ensure you have your product details and any relevant information ready for a quicker response.

Thank you for choosing the DELUXE CARBON FIBER CLEANING ROD. By following these guidelines, you can ensure a safe and efficient cleaning experience.
