

# DELUXE CARBON FIBER CLEANING ROD - 40+ CALIBER 36" 8-32F CLEANING ROD

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rods](#)

Carbon fiber is well-suited to the tough tasks assigned to cleaning rods. It combines the best features of stainless steel and coated cleaning rods, then adds valuable properties of its own. Carbon fiber can't scratch your bore like stainless steel, and they won't embed like coated rods. Plus, Carbon Fiber rods can be bent to an extreme degree and return to their original straightness. Feature an ergonomically designed handle that spins on two sets of ball bearings - the result is a cleaning rod that smoothly follows the rifling both pushing and pulling, even while under pressure. The "shank-through" construction also allows the user to apply "reasonable" hammer blows to the end of the cleaning rod to get a tight patch through a bore.

## Attributes

- Name: [40+ CALIBER 36" 8-32F CLEANING ROD](#)
- Manufacturer: [TIPTON GUN CLEANING SUPPLIES](#)
- Product no.: 100032261
- Mfr. No.: 654574R
- Caliber: 40 Caliber
- Material: Carbon Fiber
- Style: Rifle,Pistol
- Delivery weight: 0.386kg
- Shipping height: 51mm
- Shipping width: 51mm
- Shipping length: 1,124mm
- UPC: 661120545743

# DELUXE CARBON FIBER CLEANING ROD SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the DELUXE CARBON FIBER CLEANING ROD. This product is designed to provide effective cleaning for 40+ caliber firearms while ensuring user safety. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

- Always ensure the firearm is unloaded before using the cleaning rod.
- Keep the cleaning rod out of reach of children and unauthorized users.
- Inspect the cleaning rod for any damage before use. Do not use if damaged.
- Follow all manufacturer instructions and guidelines provided with your firearm.
- Use appropriate cleaning patches and solvents that are safe for your firearm's bore.
- Store the cleaning rod in a dry place to prevent damage.

## Specific Safety Precautions for Use

- Do not apply excessive force when using the cleaning rod, as it may damage both the rod and the firearm.
- Avoid using the cleaning rod with incompatible calibers to prevent injury or damage.
- Be cautious of sharp edges or burrs on the cleaning rod; handle with care.
- Ensure that the cleaning rod is properly aligned with the bore during use to avoid accidents.
- Use the cleaning rod in a wellventilated area to minimize exposure to cleaning solvents and chemicals.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is completely unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including the cleaning rod, patches, and solvents.

### 2. Using the Cleaning Rod:

- Insert the appropriate caliber cleaning patch onto the cleaning rod.
- Carefully insert the cleaning rod into the bore of the firearm.
- Rotate the handle of the cleaning rod to follow the rifling while pushing and pulling gently.
- If necessary, apply reasonable hammer blows to the end of the cleaning rod to assist in pushing a tight patch through the bore.
- Withdraw the cleaning rod slowly and carefully to avoid damaging the bore.

### 3. PostUse Care:

- Clean the cleaning rod after use to remove any residue or solvents.
- Store the cleaning rod in a protective case or designated area to prevent damage.

## Disposal Instructions

- Dispose of any cleaning patches or solvents in accordance with local regulations.
- Do not dispose of the cleaning rod in regular household waste if it is damaged. Follow local guidelines for disposal of hazardous materials.

## **Contact Information for Further Support**

For safety inquiries or additional support regarding the DELUXE CARBON FIBER CLEANING ROD, please refer to the manufacturer's contact details provided in the product packaging.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your DELUXE CARBON FIBER CLEANING ROD. Always prioritize safety and proper handling to enjoy the best performance from your cleaning rod. Thank you for your attention to these guidelines.
