

# DELUXE CARBON FIBER CLEANING ROD - SHOTGUN 36" 5/16-27 CLEANING ROD

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rods](#)

Carbon fiber is well-suited to the tough tasks assigned to cleaning rods. It combines the best features of stainless steel and coated cleaning rods, then adds valuable properties of its own. Carbon fiber can't scratch your bore like stainless steel, and they won't embed like coated rods. Plus, Carbon Fiber rods can be bent to an extreme degree and return to their original straightness. Feature an ergonomically designed handle that spins on two sets of ball bearings - the result is a cleaning rod that smoothly follows the rifling both pushing and pulling, even while under pressure. The "shank-through" construction also allows the user to apply "reasonable" hammer blows to the end of the cleaning rod to get a tight patch through a bore.

## Attributes

- Name: [SHOTGUN 36" 5/16-27 CLEANING ROD](#)
- Manufacturer: [TIPTON GUN CLEANING SUPPLIES](#)
- Product no.: 100032262
- Mfr. No.: 713415R
- Caliber: 12 Gauge

# Safety Instruction Guide for DELUXE CARBON FIBER CLEANING ROD SHOTGUN 36" 5/1627 CLEANING ROD

## Introduction

Thank you for choosing the DELUXE CARBON FIBER CLEANING ROD. This cleaning rod is designed for effective and safe cleaning of your shotgun. Please read this safety instruction guide carefully to ensure proper usage and maintenance.

## General Safety Guidelines

- Ensure that the cleaning rod is used only for its intended purpose of cleaning firearms.
- Always inspect the cleaning rod before use for any signs of damage or wear.
- Keep the cleaning rod out of reach of children and vulnerable individuals.
- Follow all local laws and regulations regarding the cleaning and maintenance of firearms.
- Use the cleaning rod in a wellventilated area to avoid inhaling any cleaning chemicals.
- Do not use excessive force when cleaning to prevent damage to the cleaning rod or the firearm.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before using the cleaning rod.
- Use the cleaning rod gently to avoid scratching or damaging the bore of the firearm.
- Be cautious when applying hammer blows to the cleaning rod; use only reasonable force.
- Avoid bending the cleaning rod beyond its designed flexibility to prevent breakage.
- Store the cleaning rod in a dry place to prevent moisture damage.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your firearm is completely unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including patches, cleaning solvent, and a cleaning cloth.

### 2. Using the Cleaning Rod:

- Attach the appropriate cleaning brush or patch holder to the end of the cleaning rod.
- Insert the cleaning rod into the bore of the firearm gently.
- Rotate the cleaning rod while pushing it through the bore to effectively clean the rifling.
- Pull the cleaning rod back out slowly, ensuring that no debris is left inside the bore.
- Repeat the process as necessary until the bore is clean.

### 3. PostCleaning:

- Inspect the cleaning rod after use for any signs of damage or wear.
- Clean the cleaning rod with a soft cloth to remove any residue.
- Store the cleaning rod in its designated place, away from moisture and direct sunlight.

## Disposal Instructions

- Dispose of any cleaning materials and patches according to local regulations.
- If the cleaning rod is damaged beyond repair, dispose of it in an environmentally friendly manner,

following local waste disposal guidelines.

## **Contact Information for Further Support**
