Pairs Perfectly With Any A2 Front Sight

Many AR-15 rifles on the market are equipped with the popular A2 front-sight gas block, and this permanent fixture on the gun provides a solid opportunity for a good back-up sighting option, even for rifles equipped with red dots. Complete the sighting set by adding the all-new Midwest Industries AR-15 Combat Folding Rear Sight to your rifle. To ensure both strength and lightness, each Midwest Industries AR-15 Combat Folding Rear Sight is made from a combination of ordnance-grade steel and proven 6061 aluminum. Flipped up, the rear aperture meets military specifications for height requirement, so it'll match up easily with any standard A2. Folded down, the sight measures only .388 inch from the top of the receiver. Color: black Stays secured with dual-locking detent springs Provides 0.5 MOA adjustments Installs with torque-clamp screw at 35 inch-pounds Best of all, to oversee the quality of these components, each Midwest Industries AR-15 Combat Folding Rear Sight is made right here in America.

Safety Instruction Guide for the Midwest Industries AR15 Combat Folding Rear Sight

Introduction

Thank you for choosing the Midwest Industries AR15 Combat Folding Rear Sight. This guide provides essential safety information, installation instructions, and usage guidelines to ensure the safe operation of your product. Please read this guide carefully before using the sight.

General Safety Guidelines

- Always handle firearms with care and treat every gun as if it is loaded.
- Ensure that the firearm is pointed in a safe direction at all times.
- Keep the firearm unloaded until you are ready to use it.
- Store ammunition and firearms separately and securely.
- Always wear appropriate eye and ear protection when using firearms.
- Be aware of your target and what is beyond it.
- Do not use the sight if it appears damaged or malfunctioning.
- Ensure that all components are installed correctly before use.
- Follow all local laws and regulations regarding firearm usage and modifications.

Specific Safety Precautions for Use

- The Midwest Industries AR15 Combat Folding Rear Sight is designed for use with AR15 rifles equipped with an A2 front sight gas block.
- Ensure that the sight is securely locked in place before firing.
- Avoid adjusting the sight while the firearm is loaded.
- Make sure the sight is correctly aligned with the front sight before use.
- Do not attempt to modify or disassemble the sight, as this may affect its performance and safety.
- Always perform regular checks to ensure that the sight remains securely attached and functional.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Locate the rear sight mounting area on your AR15 rifle.
- Align the Midwest Industries AR15 Combat Folding Rear Sight with the mounting area.
- Secure the sight using the provided torqueclamp screw, tightening to 35 inchpounds.
- Confirm that the sight is locked in place and does not move.

2. Usage

- To deploy the sight, flip it up until it locks into position.
- Adjust the rear aperture to meet your desired sighting needs.
- Use the provided 0.5 MOA adjustments for precision aiming.
- When not in use, fold the sight down to a height of .388 inches from the top of the receiver to prevent snagging or damage.

Disposal Instructions

- Dispose of the sight in accordance with local regulations.
- Do not dispose of the sight in regular household waste.

- Contact local waste management authorities for information on proper disposal methods for metal and aluminum components.
