Introduction

Thank you for choosing the ARCALOCK Harris Bipod Adapter. This guide provides essential safety instructions and information to ensure the safe and effective use of your product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this manual.
- Always inspect the adapter before use for any signs of damage or wear.
- Keep the adapter out of reach of children and vulnerable individuals.
- In case of any malfunction or abnormal operation, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Improper installation may lead to instability, posing a risk of injury.
 - Using the adapter with incompatible bipods or equipment may cause failure.
- **Avoiding Hazards:**
 - Ensure the adapter is securely attached to the bipod and the mounting platform.
 - Do not exceed the weight limit specified by the bipod manufacturer.
 - Avoid using the adapter in extreme weather conditions that may affect its performance.
- **Age Restrictions:**
 - This product is not intended for use by individuals under the age of 18 without adult supervision.

Instructions for Installation and Usage

1. Installation:

- Remove the existing swivel stud from your Harris Bipod.
- Align the adapter with the mounting platform.
- Secure the adapter using the factory tensioning screw or a KMW Pod Loc.
- Ensure that the adapter is tightly secured and does not wobble.

2. Usage:

- Attach the Harris bipod to the ARCALOCK Clamp Base or compatible Atlas Bipod rail.
- Verify that the bipod is stable before use.
- Regularly check the adapter for wear and tear, especially after extensive use.

3. Maintenance:

- Clean the adapter with a soft cloth to remove dirt and debris.
- Avoid using harsh chemicals that may damage the anodized finish.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste.
- Do not throw the adapter in regular household waste.
- Recycle materials where possible to minimize environmental impact.
