# Safety Instruction Guide for .308 Winchester Brass by Peterson Cartridge

## Introduction

Thank you for choosing the .308 Winchester Brass by Peterson Cartridge. This product is designed for precision and performance in shooting applications. To ensure your safety and the safe use of this product, please read and follow the guidelines outlined in this instruction manual.

## General Safety Guidelines

- Always handle firearms and ammunition with care and respect.
- Store ammunition in a cool, dry place, away from direct sunlight and out of reach of children.
- Inspect brass casings for any signs of damage or wear before use.
- Ensure that your firearm is compatible with .308 Winchester cartridges.
- Follow all local laws and regulations regarding ammunition and firearm use.
- Report any unsafe products or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Use only the recommended primers specified for this brass casing to avoid misfires or other issues.
- Wear appropriate eye and ear protection when shooting.
- Ensure the firearm is pointed in a safe direction at all times.
- Do not exceed the recommended load limits for your firearm.
- Keep your fingers away from the trigger until you are ready to shoot.
- Be aware of your surroundings and ensure the shooting area is clear of people and obstacles.

## Instructions for Installation and Usage

1. **Inspection:** Before use, inspect each casing for any signs of damage, including dents, cracks, or corrosion. Do not use damaged casings.
2. **Priming:** Choose the appropriate primer pocket (large or small) based on your loading requirements. Ensure that the primer is seated correctly.
3. **Loading:** Follow safe reloading practices. Use a reliable reloading manual to determine appropriate powder charges and bullet weights.
4. **Firing:** Load the ammunition into your firearm according to the manufacturer's instructions. Ensure the firearm is in good working condition.
5. **PostUse Care:** After firing, clean your firearm and inspect the brass casings for any signs of excessive wear or damage.

## Disposal Instructions

- Dispose of used brass casings in accordance with local regulations.
- Do not discard casings in regular trash; consider recycling them if possible.
- Ensure that all spent ammunition is handled safely to prevent accidents.

## Contact Information for Further Support

For any safety inquiries or further assistance, please contact the designated EUbased contact point provided with your product packaging or visit the manufacturer's website.

Thank you for your attention to these safety instructions. Your commitment to safe practices ensures a positive and enjoyable experience with your .308 Winchester Brass by Peterson Cartridge.
