

6.5MM CREEDMOOR BRASS - PETERSON CARTRIDGE 6.5 CREEDMOOR SMALL PRIMER BRASS 500/BOX

[Reloading](#) > [Brass](#) > [Rifle Brass](#)

Idea Brass for the Popular 6.5 Creedmoor

The popular 6.5 Creedmoor is now available from Peterson Cartridge Company. The cartridge is ideal for long range precision shooting. Its light recoil and slightly shorter case design allows use of longer, lower drag bullets to be used and still be fed from a magazine. The brass is available with either a standard large rifle primer pocket or a small rifle primer pocket. Cartridge: 6.5 Creedmoor Quantity: 50 or 500 All Peterson Cartridge Company brass is annealed and polished.

Safety Instruction Guide for 6.5MM Creedmoor Brass Peterson Cartridge

Introduction

Thank you for choosing the 6.5MM Creedmoor Brass from Peterson Cartridge Company. This guide provides essential safety information and instructions to ensure the safe handling and use of this product. Please read this guide carefully before using the cartridges.

General Safety Guidelines

- Ensure that all users are familiar with firearm safety protocols.
- Always treat every firearm as if it is loaded.
- Store cartridges in a cool, dry place away from direct sunlight and moisture.
- Keep cartridges out of reach of children and unauthorized persons.
- Regularly check for recalls or safety notices on the EU Safety Gate platform.
- Report any unsafe products or accidents to local authorities.

Specific Safety Precautions for Use

- Do not use cartridges that have visible signs of damage, such as dents or corrosion.
- Always use the correct firearm that is designed for the 6.5 Creedmoor cartridge.
- Wear appropriate eye and ear protection when shooting.
- Ensure that the shooting area is clear of obstructions and bystanders.
- Follow the manufacturer's recommendations for loading and firing.
- Be aware of your surroundings and ensure safe backstops when firing.

Instructions for Installation and Usage

1. Loading Cartridges:

- Ensure the firearm is pointed in a safe direction.
- Open the firearm's action.
- Insert the cartridges into the magazine or chamber as per the firearm's instructions.

2. Firing Cartridges:

- Confirm that the firearm is unloaded before handling.
- Load the firearm following the steps above.
- Aim at the intended target and ensure the area is clear.
- Pull the trigger only when ready to shoot.

3. PostFiring:

- After firing, always check the firearm to ensure it is clear of any obstructions.
- Dispose of spent cartridges properly in accordance with local regulations.

Disposal Instructions

- Dispose of spent cartridges and brass in a manner that complies with local waste disposal regulations.
- Consider recycling spent brass, as many local facilities accept it for recycling.

Contact Information for Further Support

For any questions or concerns regarding the safety and handling of the 6.5MM Creedmoor Brass, please refer to the contact information provided by the retailer or manufacturer. Always ensure that you are using the latest safety guidelines available.

By following these guidelines, you can help ensure your safety and the safety of those around you while using the 6.5MM Creedmoor Brass from Peterson Cartridge Company. Thank you for your attention to these important safety instructions.
