Safety Instruction Guide for LASER SADDLE FOR MOSSBERG 500 AND 590®

Introduction

Thank you for choosing the Crimson Trace Laser Saddle for your Mossberg 500 and 590 shotguns. This product is designed to enhance your shooting experience by providing precise laser sighting capabilities. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep this product out of reach of children and unauthorized users.
- Always treat firearms as if they are loaded, even if you believe they are not.
- Regularly inspect the laser saddle for any signs of damage or malfunction.
- If the product is damaged, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Do not point the laser at anyone's eyes. The laser can cause permanent eye damage.
- Avoid using the laser sight in situations where it may distract or confuse others.
- Always ensure that the firearm is pointed in a safe direction when using the laser.
- Be aware of your surroundings and ensure that there is a safe backdrop when aiming.
- Use the laser only in appropriate lighting conditions to maximize visibility and effectiveness.

Instructions for Installation and Usage

Installation

1. **Prepare the Firearm:** Ensure that the shotgun is unloaded and the safety is engaged.
2. **Clean the Receiver:** Wipe the receiver area where the laser saddle will be attached to ensure a secure fit.
3. **Attach the Laser Saddle:** Align the laser saddle with the receiver and press firmly until it clicks into place.
4. **Check Alignment:** Ensure that the laser is properly aligned with the shotgun's barrel.

Usage

1. **Power On:** Use the master on/off switch to activate the laser.
2. **Adjust Settings:** If necessary, adjust the laser for windage and elevation to ensure accuracy.
3. **Targeting:** Use the ambidextrous laser activation pad to engage the laser for targeting.
4. **Power Off:** After use, turn off the laser using the master on/off switch to conserve battery life.

Disposal Instructions

- Dispose of the laser saddle according to local regulations for electronic waste.
- Remove the battery before disposal and recycle it at a designated battery recycling location.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the product, please refer to the manufacturer's contact information provided in the product packaging or on the official website.

Thank you for your attention to these safety instructions. Enjoy your enhanced shooting experience with the Crimson Trace Laser Saddle for Mossberg 500 and 590!
