

LITTLE BROTHER PACK - EBERLESTOCK LITTLE BROTHER PACK-DRY EARTH

[Emergency & Survival Gear](#) > [Backpacks & Bags](#) > [Backpacks](#)

Pairs Well With Firearm-Transport Gear

The Eberlestock Little Brother Pack is the perfect companion for a rifle bag or other heavy gear, giving back country hunters or military operators a support pack that doesn't add extra bulk to a heavy gear load. The Eberlestock Little Brother Pack can be paired with the company's A4SS Tactical Weapon Carrier for a total fight-ready loadout. The bag also allows for top and front loading, along with 6 liters of hydration storage, as well as a rack designed for PRC-117 military radios. MOLLE-compatible webbing rounds out the bag. Provides 1,800 cubic inches of storage space Comes in coyote brown or military green
Total weight: 4 pounds For back country hunters, the company notes that the Eberlestock Little Brother Pack is not designed for hiking heavy meat loads from hunting grounds without the use of the AGIF Endo Frame.

Eberlestock Little Brother Pack Safety Instructions

Introduction

Thank you for choosing the Eberlestock Little Brother Pack. This safety instruction guide provides essential information to ensure the safe use, installation, and disposal of your pack. Please read this guide carefully to understand the safety guidelines and precautions.

General Safety Guidelines

- Ensure that the pack is used only for its intended purpose as a support pack for carrying gear.
- Regularly inspect the pack for any signs of wear or damage before each use.
- Do not overload the pack beyond its capacity of 1,800 cubic inches.
- Keep the pack away from sharp objects and extreme temperatures to prevent damage.
- Store the pack in a dry place to avoid mold and mildew.
- Follow all local regulations regarding the use of tactical gear in your area.
- For vulnerable groups, such as children, ensure adult supervision when using the pack.

Specific Safety Precautions for Use

- **Loading the Pack:**
 - When loading the pack, distribute weight evenly to maintain balance.
 - Avoid placing heavy items at the top of the pack; instead, pack heavier items closer to your back.
- **Hydration Storage:**
 - Use only compatible hydration systems within the 6 liters of hydration storage.
 - Ensure that hydration systems are properly sealed to prevent leaks.
- **Radio Rack Usage:**
 - Only use PRC117 military radios as specified in the product guidelines.
 - Ensure that radios are securely fastened in the designated rack to prevent damage during transport.
- **MOLLE Webbing:**
 - Attach additional gear only to the MOLLEcompatible webbing provided.
 - Make sure all attachments are secure before moving.
- **Weight Considerations:**
 - The total weight of the pack should not exceed 4 pounds when fully loaded.
 - If carrying heavy loads, consider using the AGIF Endo Frame for added support.

Instructions for Installation and Usage

- **Setting Up the Pack:**
 1. Unpack the Eberlestock Little Brother Pack from its packaging.
 2. Inspect the pack for any damage or missing parts.

3. Adjust the straps and buckles to fit your body comfortably.

- **Loading the Pack:**

1. Open the top and front loading compartments.
2. Place your gear inside, ensuring proper weight distribution.
3. Secure all compartments and zippers before use.

- **Using Hydration Storage:**

1. Insert your hydration system into the designated compartment.
2. Ensure the drinking tube is accessible and not pinched.

- **Attaching Gear:**

1. Use the MOLLE webbing to attach any additional gear securely.
2. Check that all attachments are tight and stable.

- **Carrying the Pack:**

1. Lift the pack using the top handle or shoulder straps.
2. Adjust the straps for a snug fit on your shoulders and hips.
3. When hiking, maintain a steady pace and be mindful of your surroundings.

Disposal Instructions

- Dispose of the Eberlestock Little Brother Pack in accordance with local regulations.
- If the pack is damaged beyond repair, consider recycling materials where possible.
- Do not burn the pack, as it may release harmful substances.
