Shoot More and Load Less With a Drum Magazine

American Tactical Imports brought an exciting, new .22 LR rifle to the market in 2019 with the launch of its GSG-16. However, the gun ships with 10- and 22-round magazines, meaning that you'll spend a bunch of time at the bench loading up rather than shooting. To solve that issue, ATI also brought in these GSG-16 Rotary Magazines, which hold an incredible 110 rounds of .22 LR. Each ATI GSG-16 Rotary Magazine is made in Germany and features an all-black finish. The drum is designed for use with .22 LR rounds only and provides more trigger time on the range!

GSG16 Rotary Magazine 22LR 110RD Safety Instruction Guide

Introduction

Thank you for choosing the GSG16 Rotary Magazine 22LR 110RD. This product is designed to enhance your shooting experience by allowing you to load and use a greater number of rounds. To ensure your safety and the safety of others, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always treat every firearm and magazine as if they are loaded.
- Keep firearms pointed in a safe direction at all times.
- Store the magazine and all firearms in a secure location, out of reach of children and unauthorized users.
- Use only .22 LR cartridges with this magazine.
- Inspect the magazine before use to ensure it is free from damage or obstructions.
- Follow all local laws and regulations regarding the use and storage of firearms and ammunition.

Specific Safety Precautions for Use

- Do not exceed the magazine's capacity of 110 rounds.
- Do not attempt to modify or disassemble the magazine.
- Avoid using the magazine in wet or damp conditions to prevent potential malfunction.
- Use protective eyewear when shooting to protect against debris and potential hazards.
- Ensure that the firearm is in good working condition before using the magazine.
- Always have a first aid kit available when shooting.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Align the magazine with the magazine well of the firearm.
- Firmly push the magazine into the magazine well until it clicks into place.

2. Loading the Magazine:

- Hold the magazine with the opening facing up.
- Insert .22 LR cartridges into the magazine, ensuring they are seated correctly.
- Continue loading until the magazine is full or you reach your desired capacity (up to 110 rounds).

3. Using the Magazine:

- After loading, insert the magazine into the firearm as previously instructed.
- Follow the firearm's operating instructions to ensure proper functionality.
- Always check that the magazine is securely in place before firing.

4. Unloading the Magazine:

- Point the firearm in a safe direction.
- Remove the magazine from the firearm by pressing the magazine release button.
- Carefully remove any remaining cartridges from the magazine.

Disposal Instructions

- Dispose of the magazine in accordance with local regulations.
- If the magazine is damaged or no longer functional, do not attempt to repair it. Dispose of it safely.
- Ensure that any ammunition is disposed of properly and in accordance with local laws.

Contact Information for Further Support

For any inquiries or concerns regarding the GSG16 Rotary Magazine 22LR 110RD, please refer to the manufacturer's website or contact their customer support for assistance.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable shooting experience with the GSG16 Rotary Magazine 22LR 110RD. Thank you for your attention to safety!
