

# MIDAS 2-STAGE TIKKA TRIGGER - KINETIC RESEARCH GROUP TIKKA T3X, T3, CTR 2-STAGE TRIGGER

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

## Take Your Tikka T3 Trigger to the Next Level

Midas 2-Stage Trigger: The Midas trigger from KRG gives you that 2-Stage, fully adjustable goodness that you've been needing for your Tikka T3. The factory trigger is pretty decent, especially with a spring adjustment, but the Midas trigger takes your T3 to another level. You won't feel like you're giving up much to a full blown TRG-22/42 when you have a Midas trigger with a nice comfortable shoe plus: Adjustable 1st and 2nd Stage Adjustable over travel Adjustable fore/aft shoe position Overall possible adjustment range of about 2lb-5+lbs though we do not support any setting lower than 2.5lbs in order to be compliant with SAAMI drop safe specs. Fits: All Tikka T3, T3X, T3 CTR

# MIDAS 2STAGE TIKKA TRIGGER SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the Midas 2Stage Tikka Trigger from Kinetic Research Group. This guide provides essential safety instructions to ensure the safe and effective use of your new trigger. Please read this document carefully before installation and usage.

## General Safety Guidelines

- **Product Safety:** Ensure that the Midas trigger is used in accordance with the provided instructions to prevent any accidents or injuries.
- **Enhanced Recalls:** Stay informed about product recalls and safety notices. Regularly check the EU's Safety Gate platform for updates.
- **Online Shopping:** When purchasing online, ensure that the retailer complies with safety requirements similar to those of physical stores.
- **Special Consumer Focus:** Extra care should be taken when this product is used by or around vulnerable groups, such as children.
- **EU Contact Point:** For any safety inquiries, refer to the designated EU contact point associated with this product.
- **Rapid Alerts:** Be aware that the Safety Gate system provides timely updates on unsafe products.

## Specific Safety Precautions for Use

- **Do Not Exceed Recommended Settings:** The Midas trigger is adjustable between 2 lb to 5+ lbs. Do not set the trigger below 2.5 lbs to maintain compliance with SAAMI drop safe specifications.
- **Regular Maintenance:** Inspect the trigger regularly for any wear or damage. Replace any worn components immediately.
- **Avoid Modifications:** Do not attempt to modify the trigger or its components beyond the manufacturer's specifications.
- **Proper Handling:** Always handle the firearm safely and responsibly. Ensure the firearm is pointed in a safe direction when adjusting the trigger.
- **Use Appropriate Firearm:** The Midas trigger is designed specifically for Tikka T3, T3X, and T3 CTR models. Ensure compatibility before installation.

## Instructions for Installation and Usage

### 1. Installation Instructions:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the factory trigger according to the manufacturer's instructions.
- Install the Midas trigger by following these steps:
  - Align the trigger with the mounting points of the firearm.
  - Securely fasten all screws and components as per the provided manual.
  - Adjust the fore/aft shoe position to your comfort.
  - Set the trigger pull weight according to your preference, ensuring it does not fall below 2.5 lbs.

### 2. Usage Instructions:

- Familiarize yourself with the trigger's operation before using it in the field.
- Practice safe firearm handling at all times.

- Adjust the first and second stages of the trigger as needed for optimal performance.
- Regularly check the trigger's functionality before each use.

## Disposal Instructions

- When disposing of the Midas trigger, follow local regulations for the disposal of firearm components.
- Ensure that the trigger is rendered unusable before disposal to prevent accidental use.

## Contact Information for Further Support

For any inquiries regarding the Midas 2Stage Tikka Trigger, please refer to the designated EU contact point associated with this product.

**Note:** This guide is intended to provide essential safety information. Always prioritize safety and adhere to local laws and regulations when handling firearms and firearm accessories.
