

AR-15 OMEGA RAILS M-LOK - DANIEL DEFENSE AR-15 7" OMEGA RAIL M-LOK BLACK

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

The Daniel Defense Omega Rail is a premium upgrade to AR's with plastic handguards and is now available with M-LOK attachment system. Its free float design allows the individual operator to install it with the Allen Wrench provided and requires ZERO modification to the weapon! It features integral QD sling swivel mounts, with rotation limiter, and an uninterrupted upper rail platform. This light weight, ergonomic rail system is meticulously CNC machined from Aircraft Grade Aluminum and is Military Specification Type III Hard Coat Anodized. All the Omega Rail fasteners are military specification. The Omega Rail 7.0 is designed to work with Carbine AR-15 gas systems. The Omega Rail 9.0 is designed to work with Mid-Length AR-15 gas systems.

Safety Instruction Guide for AR15 OMEGA RAILS MLOK

Introduction

Thank you for choosing the Daniel Defense AR15 Omega Rails MLOK. This product is designed to enhance your AR15 experience while ensuring safety and functionality. Please read this safety instruction guide carefully to understand how to use, install, and dispose of this product safely.

General Safety Guidelines

- Ensure that the AR15 Omega Rails MLOK is installed on a compatible firearm only.
- Always follow the manufacturer's instructions for installation and use.
- Inspect the product for any signs of damage before use. Do not use if damaged.
- Keep the product out of reach of children and unauthorized users.
- Always treat your firearm as if it is loaded, even if you believe it is not.
- Use appropriate personal protective equipment (PPE) when handling firearms.

Specific Safety Precautions for Use

- Only use the Omega Rail with the specified gas systems:
 - Omega Rail 7.0 for Carbine AR15 gas systems.
 - Omega Rail 9.0 for MidLength AR15 gas systems.
- Ensure that the rail is securely fastened before use.
- Do not modify the Omega Rail or any components.
- Avoid placing any objects on the rail that may obstruct the sight or interfere with the operation of the firearm.
- Be aware of your surroundings and ensure that no one is in the line of fire when using the firearm.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including the provided Allen Wrench.
- Ensure your firearm is unloaded and pointed in a safe direction.

2. Installation:

- Remove the existing handguard from your AR15 following the manufacturer's guidelines.
- Align the Omega Rail with the mounting points on your firearm.
- Use the Allen Wrench to secure the rail in place. Ensure all fasteners are tight but do not overtighten.
- Confirm that the rail is stable and does not move when pulled or pushed.

3. Usage:

- Once installed, confirm that the rail does not interfere with the operation of the firearm.
- Attach accessories as needed, ensuring they are compatible with the MLOK system.
- Regularly check the rail and attached accessories for tightness and stability.

Disposal Instructions

- Dispose of the Omega Rail in accordance with local regulations regarding aluminum recycling.
- If the product is damaged or no longer usable, do not attempt to repair it. Dispose of it responsibly.

Contact Information for Further Support

For any safety inquiries or support regarding the AR15 Omega Rails MLOK, please reach out to your local dealer or the manufacturer's customer support.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your AR15 Omega Rails MLOK. Always prioritize safety and compliance with local laws and regulations when handling firearms and accessories.
