Introduction

Thank you for choosing the AR15 Complete Lower Receiver with BCMGUNFIGHTER SOPMOD Stock. This product is designed for safety and reliability. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure you are familiar with local laws and regulations regarding firearm ownership and usage.
- Always treat the firearm as if it is loaded, even when you believe it to be unloaded.
- Store the firearm in a secure location, away from unauthorized access, especially from children.
- Regularly inspect the firearm for any signs of wear or damage before use.
- Use appropriate personal protective equipment (PPE) such as eye and ear protection when handling or firing the firearm.
- Always follow the manufacturer's instructions for use and maintenance.

Specific Safety Precautions for Use

- Only use ammunition that is specified for use with this lower receiver: .223 Remington, 5.56 mm NATO, or 300 AAC Blackout.
- Ensure that the trigger and safety mechanisms are functioning correctly before each use.
- Avoid using the firearm in wet or damp conditions to prevent corrosion and malfunction.
- Do not modify the lower receiver or any of its components, as this may affect safety and reliability.
- Be aware of your surroundings and ensure a safe backstop when firing the firearm.
- If you notice any malfunctions while using the firearm, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is completely unloaded before beginning installation.
- Follow the manufacturer's provided instructions for installing the lower receiver onto the upper receiver.
- Verify that all components are securely attached and functioning correctly before use.

2. Usage:

- Always check the chamber to ensure it is clear before loading ammunition.
- Load ammunition only when you are ready to fire.
- Keep your finger off the trigger until you are ready to shoot.
- Maintain a proper grip and stance while firing to ensure control and accuracy.
- After firing, always check for any obstructions in the barrel before reloading.

Disposal Instructions

- Dispose of any unused or expired ammunition according to local regulations.
- If the lower receiver or any components become damaged or are no longer usable, consult local laws for

proper disposal methods.

- Do not dispose of firearms or firearm components in regular trash. Contact local authorities for guidance on safe disposal.
