Safety Instruction Guide for QUICK TRIM DIES LEE PRECISION 6MM CREEDMOOR QUICK TRIM DIE

Introduction

Thank you for choosing the Lee Quick Trim Dies for your reloading needs. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read this guide carefully before using the product and keep it for future reference.

General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- If any parts are damaged or malfunctioning, do not use the product and contact the manufacturer for assistance.
- Ensure that your workspace is clean and organized to prevent accidents during use.
- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the product.

Specific Safety Precautions for Use

- Ensure that the die is compatible with the correct cartridge (6.5 Creedmoor) before use.
- Always use the die with the designated Lee Deluxe or Lee Value Trim Case Trimmers.
- Avoid using excessive force when operating the die to prevent injury or damage to the product.
- Do not modify the die or use it for any purpose other than its intended use.
- Be aware of sharp edges and moving parts while using the die. Exercise caution to avoid cuts or pinching.
- Do not leave the die unattended while in use.

Instructions for Installation and Usage

1. Installation:

- Ensure the trimmer is securely mounted to a stable work surface.
- Insert the Quick Trim Die into the trimmer according to the manufacturer's instructions.
- Tighten the die securely to prevent movement during operation.

2. Usage:

- Prepare your cases by removing any debris or foreign material.
- Insert the case into the trimmer, ensuring it is properly aligned.
- Operate the trimmer according to the provided instructions, applying consistent pressure.
- After trimming, remove the case and inspect it for any defects.

Disposal Instructions

- Dispose of any unused or damaged product parts in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, take it to a designated recycling facility if available.
- Ensure that all packaging materials are recycled or disposed of responsibly.

Contact Information for Further Support

For any safety inquiries or support, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

By following these safety instructions, you can ensure a safe and effective experience with the Lee Quick Trim Dies. Always prioritize safety and responsible usage to enjoy the full benefits of your reloading equipment.
