

CONDITION ONE MODULAR MOUNTS - BADGER ORDNANCE 34MM 1.54" 20 MOA MODULAR MOUNT, TAN

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

An Optics Mount Made for Maximizing Rifle Real Estate

Thanks to a huge increase in the number of optics and accessories designed for rifle platforms, today's shooters have more options than ever before to enhance their platform. The Badger Ordnance Condition One Modular Mount is designed to aid rifleshooters in maximizing mounting option on their go-to rifle. Each Badger Ordnance Condition One Modular Mount operates as a centralized mounting position for different rifle attachments and is designed to prevent the deflection experienced on optics and lasers that are usually mounted directly to a handguard. One of the stand-out features of the Badger Ordnance Condition One Modular Mount is the use of a 1.70-inch bore offset, which matches the height of commonly used 1/3 red-dot mounts. This aids shooters using night-vision gear and also maintains the same cheek hold as shooters who've trained on 1/3 mounts. Options are available in 30mm, 34mm and 35mm rings and can be had in either 0 or 20 MOA of elevation.

Attributes

- Name: [BADGER ORDNANCE 34MM 1.54" 20 MOA MODULAR MOUNT, TAN](#)
- Manufacturer: [BADGER ORDNANCE](#)
- Product no.: 100034641
- Mfr. No.: 154-342

Safety Instruction Guide for Badger Ordnance Condition One Modular Mount

Introduction

Thank you for choosing the Badger Ordnance Condition One Modular Mount. This product is designed to enhance your shooting experience by providing a secure and versatile mounting solution for your optics and accessories. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

General Safety Guidelines

- Ensure that the product is installed and used according to the manufacturer's instructions.
- Regularly inspect the mount and its attachments for any signs of wear or damage.
- Always use the mount in conjunction with compatible rifle platforms and accessories.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Installation Safety:** Ensure that the mount is securely fastened to prevent any movement during use. Loose attachments can lead to misalignment and unsafe shooting conditions.
- **Operational Safety:** When using the mount with optics, be aware of your surroundings and ensure that the firearm is pointed in a safe direction at all times.
- **Weight Limitations:** Do not exceed the recommended weight limit for attachments. Overloading the mount can compromise its integrity and lead to failure.
- **Environmental Considerations:** Avoid exposing the mount to extreme temperatures and harsh environmental conditions, which may affect its performance.
- **Night Vision Use:** When using night vision gear, ensure that the mount's height aligns with your shooting posture to maintain a consistent cheek weld.

Instructions for Installation and Usage

1. Installation:

- Ensure that your rifle is unloaded and pointed in a safe direction.
- Select the appropriate ring size (30mm, 34mm, or 35mm) based on your scope tube diameter.
- Align the mount with the rifle's rail system and secure it using the provided screws. Ensure that the mount is tightened to the manufacturer's specifications.
- Verify that the mount is level and properly aligned with your chosen optic.

2. Usage:

- When attaching optics or accessories, ensure that they are compatible with the mount and securely fastened.
- Check the alignment of your optic before each use to ensure accuracy.
- Practice safe handling of your firearm at all times. Always treat every firearm as if it is loaded.

3. Maintenance:

- Regularly clean the mount and inspect for any signs of wear or damage.
- Tighten any loose screws or fittings as necessary to maintain secure attachment.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Contact local waste management services for information on proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please refer to the manufacturer's contact information provided with your product packaging or on the official website.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Badger Ordnance Condition One Modular Mount. Thank you for prioritizing safety in your shooting activities.
