

# CONDITION ONE MODULAR MOUNTS - BADGER ORDNANCE 35MM 1.54" 20 MOA MODULAR MOUNT, TAN

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

## An Optics Mount Made for Maximizing Rifle Real Estate

Thanks to a huge increase in the number of optics and accessories designed for rifle platforms, today's shooters have more options than ever before to enhance their platform. The Badger Ordnance Condition One Modular Mount is designed to aid riflshooters in maximizing mounting option on their go-to rifle. Each Badger Ordnance Condition One Modular Mount operates as a centralized mounting position for different rifle attachments and is designed to prevent the deflection experienced on optics and lasers that are usually mounted directly to a handguard. One of the stand-out features of the Badger Ordnance Condition One Modular Mount is the use of a 1.70-inch bore offset, which matches the height of commonly used 1/3 red-dot mounts. This aids shooters using night-vision gear and also maintains the same cheek hold as shooters who've trained on 1/3 mounts. Options are available in 30mm, 34mm and 35mm rings and can be had in either 0 or 20 MOA of elevation.

## Attributes

- Name: [BADGER ORDNANCE 35MM 1.54" 20 MOA MODULAR MOUNT, TAN](#)
- Manufacturer: [BADGER ORDNANCE](#)
- Product no.: 100034642

# Safety Instruction Guide for **CONDITION ONE MODULAR MOUNTS BADGER ORDNANCE 35MM 1.54" 20 MOA MODULAR MOUNT, TAN**

## Introduction

Thank you for choosing the Badger Ordnance Condition One Modular Mount. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this document carefully before installation and use.

## General Safety Guidelines

- Always ensure that the mount is compatible with your rifle and optics before installation.
- Regularly inspect the mount for signs of wear, damage, or looseness. Replace if necessary.
- Keep the mount and all equipment out of reach of children and vulnerable individuals.
- Follow all local laws and regulations regarding the use of firearm accessories.
- In case of any malfunction or safety concern, cease use immediately and consult a qualified professional.

## Specific Safety Precautions for Use

- Ensure that the mount is securely attached to the rifle before use.
- Avoid overtightening screws, as this may damage the mount or the rifle.
- Use the mount only for its intended purpose; do not modify it in any way.
- When using nightvision gear, ensure proper alignment to avoid misalignment or damage.
- Be aware of your surroundings and ensure that your firearm is pointed in a safe direction at all times.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including a torque wrench and appropriate screwdrivers.
- Ensure the work area is clean and free of distractions.

### 2. Installation:

- Remove any existing mounts or accessories from your rifle.
- Position the Badger Ordnance Condition One Modular Mount on the rifle's rail.
- Align the mount as per the manufacturer's specifications.
- Secure the mount using the provided screws, ensuring they are tightened to the recommended torque specifications.

### 3. Usage:

- After installation, attach your optics or accessories as required.
- Perform a function check to ensure that all components are securely mounted and operating correctly.
- Practice proper firearm handling and safety procedures at all times.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the mount with general household waste.

- If the mount is damaged beyond repair, consider recycling it at a facility that handles metal products.

## **Contact Information for Further Support**

- For any questions or concerns regarding safety, installation, or usage, please consult the manufacturer or your local firearms expert.

By following these guidelines, you can ensure the safe and effective use of your Badger Ordnance Condition One Modular Mount. Thank you for your attention to safety.
