

CONDITION ONE MODULAR MOUNTS - BADGER ORDNANCE 30MM 1.70" 0 MOA MODULAR MOUNT, TAN

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

An Optics Mount Made for Maximizing Rifle Real Estate

Thanks to a huge increase in the number of optics and accessories designed for rifle platforms, today's shooters have more options than ever before to enhance their platform. The Badger Ordnance Condition One Modular Mount is designed to aid rifleshooters in maximizing mounting option on their go-to rifle. Each Badger Ordnance Condition One Modular Mount operates as a centralized mounting position for different rifle attachments and is designed to prevent the deflection experienced on optics and lasers that are usually mounted directly to a handguard. One of the stand-out features of the Badger Ordnance Condition One Modular Mount is the use of a 1.70-inch bore offset, which matches the height of commonly used 1/3 red-dot mounts. This aids shooters using night-vision gear and also maintains the same cheek hold as shooters who've trained on 1/3 mounts. Options are available in 30mm, 34mm and 35mm rings and can be had in either 0 or 20 MOA of elevation.

Attributes

- Name: [BADGER ORDNANCE 30MM 1.70" 0 MOA MODULAR MOUNT, TAN](#)
- Manufacturer: [BADGER ORDNANCE](#)
- Product no.: 100034643

Safety Instruction Guide for Badger Ordnance Condition One Modular Mount

Introduction

Thank you for choosing the Badger Ordnance Condition One Modular Mount. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read and follow these instructions carefully to maximize your safety and the performance of your mount.

General Safety Guidelines

- Ensure that the mount is compatible with your rifle and optics before installation.
- Regularly inspect the mount for any signs of wear or damage.
- Always follow the manufacturer's recommendations for mounting and use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents immediately to the appropriate authorities.

Specific Safety Precautions for Use

- Be aware of the weight and balance of your rifle when using the modular mount.
- Ensure that all attachments are securely fastened to prevent accidents.
- Avoid using the mount in extreme weather conditions that may affect its performance.
- Do not exceed the manufacturer's specified weight limits for attachments.
- Use appropriate eye protection when using firearms equipped with the mount.

Instructions for Installation and Usage

1. Installation

- Ensure that your rifle is unloaded and pointed in a safe direction.
- Clean the mounting area on your rifle to ensure a secure fit.
- Align the Badger Ordnance Condition One Modular Mount with the mounting points on your rifle.
- Secure the mount using the provided screws, ensuring they are tightened to the manufacturer's specifications.
- Verify that the mount is stable and does not move when pressure is applied.

2. Usage

- After installation, check the alignment of your optics to ensure proper sighting.
- Adjust the height and angle of your optics as needed for your shooting position.
- Regularly check the tightness of the mount and attachments during use, especially after extended shooting sessions.
- If you notice any movement or instability, cease use immediately and inspect the mount.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic and mechanical waste.
- Do not dispose of the product in regular household waste.
- Consider recycling options for materials that can be reused.

Contact Information for Further Support

For any questions or concerns regarding the Badger Ordnance Condition One Modular Mount, please refer to the product packaging or visit the manufacturer's website for additional resources and support.

Thank you for your attention to these safety instructions. Your safety is our priority, and we hope you enjoy using your Badger Ordnance Condition One Modular Mount safely and effectively.
