

CONDITION ONE MODULAR MOUNTS - BADGER ORDNANCE 30MM 1.54" 20 MOA MODULAR MOUNT, BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

An Optics Mount Made for Maximizing Rifle Real Estate

Thanks to a huge increase in the number of optics and accessories designed for rifle platforms, today's shooters have more options than ever before to enhance their platform. The Badger Ordnance Condition One Modular Mount is designed to aid rifleshooters in maximizing mounting option on their go-to rifle. Each Badger Ordnance Condition One Modular Mount operates as a centralized mounting position for different rifle attachments and is designed to prevent the deflection experienced on optics and lasers that are usually mounted directly to a handguard. One of the stand-out features of the Badger Ordnance Condition One Modular Mount is the use of a 1.70-inch bore offset, which matches the height of commonly used 1/3 red-dot mounts. This aids shooters using night-vision gear and also maintains the same cheek hold as shooters who've trained on 1/3 mounts. Options are available in 30mm, 34mm and 35mm rings and can be had in either 0 or 20 MOA of elevation.

Attributes

- Name: [BADGER ORDNANCE 30MM 1.54" 20 MOA MODULAR MOUNT, BLACK](#)
- Manufacturer: [BADGER ORDNANCE](#)
- Product no.: 100034650

Safety Instruction Guide for Badger Ordnance Condition One Modular Mount

Introduction

Thank you for choosing the Badger Ordnance Condition One Modular Mount. This guide provides essential safety instructions to ensure the safe and effective use of your mounting system. Please read this guide carefully before installation and usage.

General Safety Guidelines

- Ensure that the mount is compatible with your rifle and optics before use.
- Always follow the manufacturer's guidelines for installation and usage.
- Inspect the mount regularly for any signs of wear, damage, or loose components.
- Store the mount in a dry, cool place when not in use to prevent corrosion or damage.
- Keep the mount out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents related to the product to the appropriate authorities.

Specific Safety Precautions for Use

- Always use the mount in accordance with the intended purpose as described in the product specifications.
- Do not exceed the recommended weight limit for attachments to avoid potential failure.
- Ensure that all attachments are securely fastened before use to prevent accidental detachment.
- Avoid using the mount in extreme weather conditions unless specified by the manufacturer.
- Use appropriate protective gear when handling firearms and accessories.

Instructions for Installation and Usage

Installation

1. Preparation:

- Gather all necessary tools for installation, including a torque wrench if required.
- Ensure the rifle is unloaded and pointed in a safe direction during installation.

2. Mounting:

- Select the appropriate mounting rings (30mm, 34mm, or 35mm) based on your scope's tube diameter.
- Align the mount with the rifle's receiver and secure it using the provided screws. Ensure the mount is level and properly positioned.
- Tighten the screws to the manufacturer's specified torque settings to ensure a secure fit.

3. Attachment of Optics:

- Place your optic onto the mount and adjust its position as needed.
- Secure the optic in place using the appropriate screws, following the manufacturer's instructions.
- Doublecheck that all components are properly fastened.

Usage

- Regularly check the mount and attached optics for stability and alignment during use.
- If using nightvision gear, ensure that the mount's height (1.54 inches) is suitable for your equipment.

- Practice safe handling and shooting techniques at all times.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and metal products.
- Do not dispose of the mount in regular household waste. Instead, seek out designated recycling centers or programs.

Contact Information for Further Support

For any safety inquiries or further assistance, please contact the appropriate EUs-based support services. Ensure to have your product details ready for a more efficient response.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy using your Badger Ordnance Condition One Modular Mount responsibly.
