

CONDITION ONE MODULAR MOUNTS - 35MM 1.54" 20 MOA MODULAR MOUNT, BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

An Optics Mount Made for Maximizing Rifle Real Estate

Thanks to a huge increase in the number of optics and accessories designed for rifle platforms, today's shooters have more options than ever before to enhance their platform. The Badger Ordnance Condition One Modular Mount is designed to aid riflshooters in maximizing mounting option on their go-to rifle. Each Badger Ordnance Condition One Modular Mount operates as a centralized mounting position for different rifle attachments and is designed to prevent the deflection experienced on optics and lasers that are usually mounted directly to a handguard. One of the stand-out features of the Badger Ordnance Condition One Modular Mount is the use of a 1.70-inch bore offset, which matches the height of commonly used 1/3 red-dot mounts. This aids shooters using night-vision gear and also maintains the same cheek hold as shooters who've trained on 1/3 mounts. Options are available in 30mm, 34mm and 35mm rings and can be had in either 0 or 20 MOA of elevation.

Attributes

- Name: [35MM 1.54" 20 MOA MODULAR MOUNT, BLACK](#)
- Manufacturer: [BADGER ORDNANCE](#)
- Product no.: 100034652
- Mfr. No.: 154352B

Safety Instruction Guide for Badger Ordnance Condition One Modular Mount

Introduction

Thank you for choosing the Badger Ordnance Condition One Modular Mount. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. It is important to read and understand these instructions before installation and use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow the manufacturer's instructions for installation and usage.
- Regularly inspect the mount for any signs of wear or damage before each use.
- Do not exceed the specified load limits for the mount.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Improper installation may cause the mount to fail, leading to equipment damage or personal injury.
 - Using the mount with incompatible optics or accessories can compromise safety.
- **Avoiding Hazards:**
 - Ensure all components are compatible and securely attached before use.
 - Do not modify the mount or use it in any way not specified by the manufacturer.
 - Always ensure that the mount is securely fastened to the rifle before use.
- **Age Specific Warnings:**
 - This product is not intended for use by individuals under the age of 18 without adult supervision.

Instructions for Installation and Usage

1. Installation:

- Read all instructions carefully before beginning installation.
- Ensure that the rifle is unloaded and safe to handle.
- Select the appropriate mounting location on the rifle.
- Align the mount with the mounting points and secure it using the provided screws.
- Tighten screws to the manufacturer's recommended torque settings.
- Doublecheck that the mount is firmly attached before proceeding.

2. Usage:

- Always ensure that the mount is compatible with the optics or accessories being used.
- Regularly check the mount for tightness and stability during use.
- If using nightvision gear, confirm that the height of the mount aligns with the requirements for optimal use.
- Avoid exposing the mount to extreme temperatures or harsh conditions that could affect its performance.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer in use, consider recycling options where available.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to your local distributor or retailer. They will provide you with the necessary assistance and information.

By following these safety instructions, you can ensure a safe and effective experience with your Badger Ordnance Condition One Modular Mount. Thank you for your attention to safety.
