

CONDITION ONE MODULAR MOUNTS - BADGER ORDNANCE 34MM 1.70" 0 MOA MODULAR MOUNT, BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

An Optics Mount Made for Maximizing Rifle Real Estate

Thanks to a huge increase in the number of optics and accessories designed for rifle platforms, today's shooters have more options than ever before to enhance their platform. The Badger Ordnance Condition One Modular Mount is designed to aid rifleshooters in maximizing mounting option on their go-to rifle. Each Badger Ordnance Condition One Modular Mount operates as a centralized mounting position for different rifle attachments and is designed to prevent the deflection experienced on optics and lasers that are usually mounted directly to a handguard. One of the stand-out features of the Badger Ordnance Condition One Modular Mount is the use of a 1.70-inch bore offset, which matches the height of commonly used 1/3 red-dot mounts. This aids shooters using night-vision gear and also maintains the same cheek hold as shooters who've trained on 1/3 mounts. Options are available in 30mm, 34mm and 35mm rings and can be had in either 0 or 20 MOA of elevation.

Attributes

- Name: [BADGER ORDNANCE 34MM 1.70" 0 MOA MODULAR MOUNT, BLACK](#)
- Manufacturer: [BADGER ORDNANCE](#)
- Product no.: 100034654

Safety Instruction Guide for Badger Ordnance Condition One Modular Mount

Introduction

Thank you for choosing the Badger Ordnance Condition One Modular Mount. This product is designed to enhance your shooting experience by providing a secure and versatile mounting solution for your optics. Please read this safety instruction guide carefully to ensure safe usage and compliance with EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always ensure the mount is compatible with your rifle and optics before installation.
- Inspect the mount for any damage or defects before each use.
- Use the mount only for its intended purpose as specified in this guide.
- Keep the mount and all accessories out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents related to this product to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that the mount is securely attached to the rifle and that all fasteners are tightened to the manufacturer's specifications.
- Avoid overtightening screws, as this may damage the mount or the rifle.
- Do not exceed the weight limit specified by the manufacturer for optics and accessories mounted on the mount.
- Use caution when adjusting the mount or optics while the rifle is loaded or in a potentially unsafe position.
- Always handle your rifle safely and responsibly, following all standard firearm safety practices.

Instructions for Installation and Usage

1. Installation Instructions:

- Gather all necessary tools, including a torque wrench, to ensure proper installation.
- Identify the mounting position on your rifle and clean the surface to remove any debris.
- Align the mount with the mounting holes on the rifle.
- Insert the screws provided with the mount and handtighten them.
- Use a torque wrench to tighten the screws to the manufacturer's recommended specifications (consult the product manual for specific torque settings).
- Check the alignment of the mount to ensure it is level and properly positioned.

2. Usage Instructions:

- Before using the mount, ensure that your optics are securely attached and adjusted to your preference.
- Regularly check the mount and optics for any signs of looseness or wear during use.
- When switching between different optics, ensure that the mount is compatible and properly adjusted for each optic.
- If using nightvision gear, ensure that the mount's height aligns with your shooting position for optimal performance.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and nonfood products.
- Do not dispose of the mount in household waste. Instead, take it to a designated recycling facility or contact your local waste management authority for guidance.

Contact Information for Further Support

For any inquiries regarding safety, usage, or installation, please contact the manufacturer or your local distributor. Ensure that you have the product's model and serial number available for reference.

Thank you for following these safety instructions. Your adherence to these guidelines will help ensure a safe and enjoyable experience with your Badger Ordnance Condition One Modular Mount.
