

CONDITION ONE MICRO SIGHT ADAPTERS - BADGER ORDNANCE J-ARM 45° 1.70" BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Handgun Bases](#)

Add a Micro Reflex Sight to Your Badger Mount

The Badger Ordnance Condition One Modular Mount is designed to provide rifle owners with a centralized mounting location for their optics and accessories. The addition of the company's C.O.M.M. Micro Sight Adapter allows users to mount many of today's popular reflex optics. Mounts are available in black or tan finishes and are sized to fit the Aimpoint T1/T2, Leupold DeltaPoint Pro or the Trijicon RMR. Each mount is machined from a single piece of aluminum for durability and strength.

Attributes

- Name: [BADGER ORDNANCE J-ARM 45° 1.70" BLACK](#)

Safety Instruction Guide for **CONDITION ONE MICRO SIGHT ADAPTERS BADGER ORDNANCE JARM 45° 1.70" BLACK**

Introduction

Thank you for choosing the CONDITION ONE MICRO SIGHT ADAPTERS from Badger Ordnance. This guide provides important safety instructions and usage guidelines to ensure your product is used safely and effectively. Please read this guide carefully before installation and use.

General Safety Guidelines

- Always ensure that the product is installed correctly to avoid any accidents.
- Inspect the adapter and mounting surfaces regularly for signs of wear or damage.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose as described in this guide.
- Be aware of your surroundings when using the product to avoid potential hazards.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the rifle is unloaded before installing or adjusting the adapter.
- Do not modify the adapter or the mounting system, as this can lead to failure during use.
- Use only compatible optics as specified in the product description (Aimpoint T1/T2, Leupold DeltaPoint Pro, Trijicon RMR).
- Avoid exposing the adapter to extreme temperatures or harsh environmental conditions.
- Always follow the manufacturer's instructions for the optics being mounted to ensure proper use.
- Wear appropriate eye protection when using the rifle equipped with the adapter.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools for installation, including a screwdriver and any other required equipment.
- Ensure that the rifle is in a safe position and unloaded.

2. Installation Steps:

- Remove any existing mounts from the rifle's rail.
- Align the Condition One Micro Sight Adapter with the mounting rail on your rifle.
- Securely attach the adapter using the provided screws, ensuring that it is firmly in place.
- Doublecheck the alignment and tightness of all screws.

3. Mounting the Optics:

- Follow the specific instructions provided by the optics manufacturer for mounting your chosen sight.
- Ensure that the optics are securely fastened and properly aligned for optimal use.

4. PostInstallation Check:

- Inspect the installation to ensure there are no loose parts and that everything is secure.
- Perform a function check on the rifle to ensure that the adapter and optics work correctly together.

5. Usage:

- When using the rifle, maintain a safe shooting position and ensure proper handling techniques.
- Regularly check the adapter and optics during use to ensure they remain secure.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic and metal waste.
- Do not dispose of the product in regular household waste.
- Recycle components whenever possible to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the safety and usage of the CONDITION ONE MICRO SIGHT ADAPTERS, please refer to the manufacturer's website or contact their support team directly for assistance.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
