

# CONDITION ONE MICRO SIGHT ADAPTERS - BADGER ORDNANCE MICRO SIGHT MOUNT FOR TRIJICON RMR TAN

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Handgun Bases](#)

## Add a Micro Reflex Sight to Your Badger Mount

The Badger Ordnance Condition One Modular Mount is designed to provide rifle owners with a centralized mounting location for their optics and accessories. The addition of the company's C.O.M.M. Micro Sight Adapter allows users to mount many of today's popular reflex optics. Mounts are available in black or tan finishes and are sized to fit the Aimpoint T1/T2, Leupold DeltaPoint Pro or the Trijicon RMR. Each mount is machined from a single piece of aluminum for durability and strength.

# Safety Instruction Guide for CONDITION ONE MICRO SIGHT ADAPTERS BADGER ORDNANCE MICRO SIGHT MOUNT FOR TRIJICON RMR TAN

## Introduction

Thank you for choosing the Badger Ordnance Condition One Micro Sight Adapter. This guide provides important safety information and instructions to ensure the safe use and installation of your product. Please read and follow all instructions carefully.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear.
- Do not modify the product in any way, as this may compromise safety.
- Always follow the manufacturer's recommendations for use and maintenance.
- If you experience any issues or concerns, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- Ensure that the mounting surface is clean and free of debris before installation.
- Use only compatible optics with the micro sight adapter to avoid potential hazards.
- Avoid using the product in extreme weather conditions that may affect performance.
- Be aware of your surroundings and ensure that the area is safe before using the mounted optics.
- Use appropriate eye protection when using firearms equipped with the micro sight adapter.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools for installation, including a torque wrench.
- Ensure that you have the compatible optics ready for mounting.

### 2. Installation Steps

- Remove the existing mount from your firearm, if applicable.
- Clean the mounting surface thoroughly.
- Align the micro sight adapter with the mounting holes on the firearm.
- Secure the adapter using the provided screws, ensuring they are tightened to the manufacturer's specifications.
- Attach your chosen optic to the micro sight adapter, following the optic's installation instructions.
- Doublecheck all connections to ensure they are secure before use.

### 3. Usage

- Familiarize yourself with the operation of the mounted optic before using it in the field.
- Regularly check the alignment and secure fit of the optic during use.
- If you notice any movement or instability, stop using the product and inspect it for issues.

## **Disposal Instructions**

- Dispose of the product responsibly in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, contact your local waste management authority for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and use of this product, please contact the manufacturer or your local dealer. Ensure that you have the product details ready for reference.

Thank you for your attention to these safety guidelines. Your safety is our priority.
