

EXPLORER XL™ SUNGLASSES - MAGPUL EXPLORER XL BLACK FRAME W/ BRONZE LENS & BLUE MIRROR

[Shooting Accessories](#) > [Apparel](#) > [Accessories](#) > [Glasses](#)

A Stylish Pair of Shades With Built-In Ballistic Protection

Magpul entered the sunglasses market with a few solid options a while back, and the company continues to enhance its line of eye protection with the launch of the Explorer XL sunglasses. Optimized for wearing on medium- and large-sized faces or for people who prefer larger frames, the Magpul Explorer XL line is a must-have for outdoor enthusiasts. Not only will the Explorer XL line protect your eyes from UV radiation, the sunglasses are also constructed from injection-molded TR90NZZ polymer, which provides incredible impact resistance. These shades have been tested to MIL-PRF 32432 standards and passed with flying colors. Both polarized and non-polarized lenses are available, and the glasses are complete with anti-slip nose and temple pads.

EXPLORER XL™ SUNGLASSES SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the Magpul EXPLORER XL™ Sunglasses. This guide provides important safety information and instructions to ensure the proper use and maintenance of your sunglasses. Please read this guide carefully before use to maximize your safety and enjoyment.

General Safety Guidelines

- Always inspect your sunglasses for any damage before use. Do not use if there are cracks or defects.
- Keep sunglasses away from extreme heat and direct sunlight when not in use to avoid warping.
- Do not use sunglasses as a substitute for proper eye protection in hazardous environments.
- Be aware that polarized lenses may cause distortion when viewing certain digital screens.
- Ensure that sunglasses fit properly and comfortably to avoid slipping or falling off during activities.

Specific Safety Precautions for Use

- The EXPLORER XL sunglasses are designed for medium and largesized faces. Ensure that they fit securely on your face.
- Avoid using sunglasses in situations where maximum visibility is required, such as while driving at night.
- Use caution when cleaning lenses; avoid abrasive materials that may scratch the surface. Use a microfiber cloth and lens cleaner.
- If you experience any discomfort or vision problems while wearing the sunglasses, remove them immediately and consult a professional.

Instructions for Installation and Usage

1. Fitting the Sunglasses:

- Place the sunglasses on your face and adjust the nose pads for a comfortable fit.
- Ensure that the temple arms are snug against your head without causing discomfort.

2. Cleaning the Lenses:

- Use a microfiber cloth to gently wipe the lenses.
- For stubborn stains, use a lens cleaner specifically designed for sunglasses.

3. Storing the Sunglasses:

- Store the sunglasses in a protective case when not in use to prevent scratches and damage.
- Avoid placing heavy objects on top of the sunglasses.

4. Wearing the Sunglasses:

- Always wear the sunglasses when exposed to bright sunlight to protect your eyes from UV radiation.
- Adjust the sunglasses as needed to ensure they remain in place during physical activities.

Disposal Instructions

- When disposing of your sunglasses, consider recycling options where available.

- If the sunglasses are damaged beyond repair, dispose of them following local waste disposal regulations.

Contact Information for Further Support

For any safety inquiries or concerns regarding your EXPLORER XL sunglasses, please refer to the contact information provided on the packaging or visit the manufacturer's website.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of your Magpul EXPLORER XL sunglasses. Enjoy your outdoor activities while keeping your eyes protected!
