

EXPLORER XL™ SUNGLASSES - MAGPUL EXPLORER XL TORTOISE FRAME W/ BRONZE LENS & BLUE MIRROR

[Shooting Accessories](#) > [Apparel](#) > [Accessories](#) > [Glasses](#)

A Stylish Pair of Shades With Built-In Ballistic Protection

Magpul entered the sunglasses market with a few solid options a while back, and the company continues to enhance its line of eye protection with the launch of the Explorer XL sunglasses. Optimized for wearing on medium- and large-sized faces or for people who prefer larger frames, the Magpul Explorer XL line is a must-have for outdoor enthusiasts. Not only will the Explorer XL line protect your eyes from UV radiation, the sunglasses are also constructed from injection-molded TR90NZZ polymer, which provides incredible impact resistance. These shades have been tested to MIL-PRF 32432 standards and passed with flying colors. Both polarized and non-polarized lenses are available, and the glasses are complete with anti-slip nose and temple pads.

Safety Instruction Guide for EXPLORER XL™ SUNGLASSES

Introduction

Thank you for choosing the EXPLORER XL™ SUNGLASSES by Magpul. These sunglasses are designed to provide superior eye protection while enhancing your outdoor experience. This guide will help you understand how to use and care for your sunglasses safely, ensuring you get the most out of your product.

General Safety Guidelines

- **Product Safety:** Always ensure that the sunglasses are used in accordance with the manufacturer's instructions to avoid any potential hazards.
- **Enhanced Recalls:** Stay informed about any recall notices. If you receive a recall notification, please follow the instructions provided.
- **Online Shopping:** When purchasing online, ensure that the retailer complies with EU safety requirements.
- **Special Consumer Focus:** These sunglasses are not intended for use by children under the age of 12 without adult supervision.
- **EU Contact Point:** For any safety inquiries, please refer to the contact information provided by the retailer or manufacturer.
- **Rapid Alerts:** Regularly check the EU Safety Gate platform for updates on product safety.

Specific Safety Precautions for Use

- **UV Protection:** The EXPLORER XL sunglasses provide UV protection. Always wear them when exposed to sunlight to protect your eyes from harmful rays.
- **Impact Resistance:** While these sunglasses are made from impactresistant materials, avoid exposing them to extreme force or pressure.
- **Polarized Lenses:** If you have polarized lenses, be aware that they may alter the appearance of certain surfaces, such as water or snow. Exercise caution.
- **Cleaning:** Use a soft, lintfree cloth to clean the lenses. Avoid using harsh chemicals or abrasive materials that could scratch the lenses.
- **Storage:** When not in use, store your sunglasses in a protective case to avoid scratches and damage.

Instructions for Installation and Usage

- **Wearing the Sunglasses:**
 1. Place the sunglasses gently on your face, ensuring they sit comfortably on your nose and ears.
 2. Adjust the nose pads if necessary for a secure fit.
- **Adjusting the Fit:**
 - If the sunglasses feel loose, adjust the temple arms gently to achieve a snug fit.
- **Using the Sunglasses:**
 - Always wear the sunglasses outdoors in bright light conditions to maximize UV protection.
 - Remove the sunglasses when transitioning from bright sunlight to indoor environments to prevent discomfort.

Disposal Instructions

- **End of Life:** When the sunglasses reach the end of their usable life, dispose of them responsibly.
- **Recycling:** Check local regulations for recycling options for plastic and metal components. Do not dispose of them in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the EXPLORER XL™ SUNGLASSES, please refer to the contact information provided by your retailer or consult the manufacturer's website for assistance.

Thank you for your attention to these safety guidelines. Enjoy your outdoor adventures with confidence, knowing your eyes are protected!
