

# SIDE SCOUT MOUNT - ARISAKA DEFENSE SIDE SCOUT MOUNT M-LOK

[Shooting Accessories](#) > [Flashlights & Accessories](#) > [Flashlight Mounts](#)

## A Low-Profile Light Mount for a Number of Popular Scout-Style Lights

Have an OEM Picatinny rail adapter that makes your SureFire, Streamlight or Arisaka weaponlights stick out like a sore thumb from your rifle's rail? Create a more streamlined platform with the Arisaka Side Scout Mount, which is designed for use with scout-style lights from all of the above manufacturers. When used on a rifle rail, this Arisaka Side Scout Mount provides a streamlined, low-profile setup for M-LOK, KeyMod and Picatinny handguards by tucking the flashlight under either side of the ATPIAL laser system. The mount also allows lights to clear the quick-detach lever used on the Steiner DBAL I2, A3 and D2. When used with longer-base lights, like the M620 or M961/2, the addition of the Arisaka Offset M620 adapter will be needed. Each Arisaka Side Scout Mount functions perfectly on SIG Sauer MPX and MCX M-LOK handguards. The mount is CNC-machined from 6061-T6 aluminum and requires only a 1/8-inch Allen wrench and a T20 Torx driver for installation. The SSM is compatible with the Surefire M300A, M300B, M300C, M300V, M312, M322, M312V, M313V, M322V, M600B, M600C, M600P, M600U, M600V, M600DF, M612, M622, M603V, M612V, M622V, Streamlight Protac Rail Mount 1, 2 and HL-X, and Arisaka 300 and 600 Series.

# Arisaka Defense Side Scout Mount Safety Instructions

## Introduction

Thank you for purchasing the Arisaka Defense Side Scout Mount. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure that the mount is compatible with your specific weapon and flashlight models before installation.
- Regularly inspect the mount for any signs of wear or damage.
- Always follow the manufacturer's instructions for both the mount and the attached equipment.
- Keep the mount and flashlight out of reach of children and unauthorized users.
- In case of malfunction or damage, discontinue use immediately and contact the manufacturer for guidance.

## Specific Safety Precautions for Use

- Do not exceed the weight limit specified by the manufacturer for the mount.
- Ensure that the flashlight is securely attached to the mount before use.
- Avoid using the mount in extreme conditions that may compromise its integrity.
- Be cautious when operating the weapon with the mounted flashlight, as it may affect balance and handling.
- Always ensure that the flashlight is turned off when not in use to prevent overheating and battery drainage.

## Instructions for Installation and Usage

### 1. Tools Required:

- 1/8inch Allen wrench
- T20 Torx driver

### 2. Installation Steps:

- Identify the appropriate location on your rifle rail for the Arisaka Side Scout Mount.
- Using the Allen wrench, loosen the screws on the mount.
- Position the mount on the rail, ensuring that it is aligned properly.
- Tighten the screws securely using the Allen wrench.
- Attach your flashlight to the mount according to the manufacturer's instructions.

### 3. Usage Instructions:

- When using the flashlight, ensure it is properly secured and positioned for optimal performance.
- Adjust the mount as necessary to achieve the desired angle and accessibility of the flashlight.
- Regularly check the mount and flashlight for tightness and functionality during use.

## Disposal Instructions

- Dispose of the Arisaka Side Scout Mount in accordance with local regulations regarding electronic and metal waste.

- Do not dispose of the mount in regular household waste.
- If you are unsure about disposal methods, contact your local waste management authority for guidance.

## Contact Information for Further Support

For any safety inquiries or support regarding the Arisaka Defense Side Scout Mount, please reach out to the manufacturer's customer service. Ensure you have your product details ready for efficient assistance.

Thank you for choosing the Arisaka Defense Side Scout Mount. By following these safety instructions, you can ensure a safe and effective experience with your product.
