

# SIDE SCOUT MOUNT - ARISAKA DEFENSE SIDE SCOUT MOUNT PICATINNY

[Shooting Accessories](#) > [Flashlights & Accessories](#) > [Flashlight Mounts](#)

## A Low-Profile Light Mount for a Number of Popular Scout-Style Lights

Have an OEM Picatinny rail adapter that makes your SureFire, Streamlight or Arisaka weaponlights stick out like a sore thumb from your rifle's rail? Create a more streamlined platform with the Arisaka Side Scout Mount, which is designed for use with scout-style lights from all of the above manufacturers. When used on a rifle rail, this Arisaka Side Scout Mount provides a streamlined, low-profile setup for M-LOK, KeyMod and Picatinny handguards by tucking the flashlight under either side of the ATPIAL laser system. The mount also allows lights to clear the quick-detach lever used on the Steiner DBAL I2, A3 and D2. When used with longer-base lights, like the M620 or M961/2, the addition of the Arisaka Offset M620 adapter will be needed. Each Arisaka Side Scout Mount functions perfectly on SIG Sauer MPX and MCX M-LOK handguards. The mount is CNC-machined from 6061-T6 aluminum and requires only a 1/8-inch Allen wrench and a T20 Torx driver for installation. The SSM is compatible with the Surefire M300A, M300B, M300C, M300V, M312, M322, M312V, M313V, M322V, M600B, M600C, M600P, M600U, M600V, M600DF, M612, M622, M603V, M612V, M622V, Streamlight Protac Rail Mount 1, 2 and HL-X, and Arisaka 300 and 600 Series.

## Attributes

# Arisaka Defense Side Scout Mount Safety Instructions

## Introduction

Thank you for choosing the Arisaka Defense Side Scout Mount. This guide provides essential safety information and instructions to ensure safe and effective use of your product. Please read this manual carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this manual.
- Inspect the product thoroughly before each use to check for any signs of wear or damage.
- Keep the product out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding the use of firearm accessories.
- In case of any malfunction or damage, discontinue use immediately and consult a qualified professional.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before attaching or detaching the mount.
- Use appropriate eye protection when handling or installing the mount.
- Ensure that the flashlight used with the mount is securely attached to prevent it from falling off during use.
- Avoid using the mount in extreme conditions that may compromise its integrity, such as exposure to excessive heat or moisture.
- Do not attempt to modify or alter the mount in any way, as this may create hazards.

## Instructions for Installation and Usage

### 1. Installation

- Gather the necessary tools: a 1/8inch Allen wrench and a T20 Torx driver.
- Ensure that the firearm is unloaded and safe before starting the installation.
- Locate the appropriate section on your rifle's rail for mounting.
- Align the Arisaka Side Scout Mount with the desired position on the rail.
- Secure the mount by tightening the screws using the Allen wrench and Torx driver. Ensure it is firmly attached but do not overtighten.

### 2. Usage

- Attach your compatible scoutstyle flashlight to the mount according to the manufacturer's instructions.
- Ensure that the flashlight is positioned correctly and is securely fastened.
- Test the setup to ensure that the flashlight operates correctly and does not obstruct any other firearm components.
- When using the mount, always check that the quickdetach lever on devices such as the Steiner DBAL I2, A3, and D2 is clear.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste and metal recycling.
- Do not dispose of the product in regular household waste.
- If the product is damaged beyond repair, contact your local waste management facility for guidance on

proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding safety, installation, or product performance, please refer to the manufacturer's contact information provided with your product packaging or on the official website.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Arisaka Defense Side Scout Mount. Thank you for your attention to safety and for choosing our product.
